# **CEO's Perspective**

THIS weekend marks the AFL's Sir Doug Nicholls Indigenous Round, with the weekend's marquee match the now traditional 'Dreamtime at the G' clash between Richmond and Essendon. The round will also include Melbourne playing Gold Coast in Alice Springs, with all 18 AFL clubs wearing a special indigenous themed-guernsey during the round.

The annual round recognises and celebrates indigenous players and

culture, and is named in honour of Sir Doug Nicholls.

Sir Doug, who epitomised the spirit of reconciliation, played 54 games for Fitzroy and was a brilliant allround athlete. The first Aboriginal person to be knighted, he also served as Governor of South Australia and was devoted to the wellbeing of Aboriginal and Torres Strait Islander people.

The EDFL will feature its own indigenous games later in the season.

In the Strathmore Community Bank Division 2 competition East Sunbury will host Roxburgh Park in Round 10 in an indigenous game featuring special pre-game celebrations to honour indigenous players and culture.

In the Essendon Ford Division 1 competition Airport West will follow East Sunbury's lead in their indigenous themed game against Taylors Lakes in Round 11.

This is the second successive season that both Airport West and East Sunbury will have hosted such an initiative, with both clubs making the effort to acknowledge the contribution that Indigenous people have made to their club.

This year Hadfield has partnered with Indigenous Prospects
Training and Recruitment to offer employment opportunities in Melbourne for young Aboriginal men from the Northern Territory and the East Kimberley's. Many young Aboriginal men have transferred to Melbourne, with the Hadfield Football Club assisting in finding a host employer and housing to allow those young men to be engaged in meaningful employment.

And of course, there are the many Indigenous players currently competing in the EDFL, playing week in and week out and displaying their fantastic football abilities to EDFL supporters.

I hope you enjoy this weekend of football in both the EDFL and the AFL and take a moment to appreciate the positive role that the indigenous population has played, not only in the EDFL and Australian Football, but also in Australian culture.

Enjoy the weekend.

# Daniel Thompson: A True Man of the Match

# **By JULIA MONTESANO**

BEING the son of a 202-game Essendon legend and two-time premiership coach comes with its fair share of expectation.

But Daniel Thompson is following in the footsteps of his father, Mark, in magnificent fashion.

The Aberfeldie defender made his first appearance in the EDFL sash last weekend and was the best performer for the Essendon District in the Interleague battle against the Eastern Football League.

Initially, the 23-year-old was unaware of being selected in the prestigious EDFL Interleague squad.

"I actually didn't know I got selected until we went to training at Aberfeldie on the Tuesday night," he said.

Thompson admits that it shocked him a little bit, but nonetheless, he was honoured to represent the league against the EFL.

At Bayswater, Thompson played a similar role to the role he's been playing at Aberfeldie.

The defender played a crucial lock-down role on two of the EFL's best forwards in Jake Best and Leigh Williams.

"I stuck pretty tight to them and tried not to let them kick any goals," he said.

Thompson played his role to perfection, as he kept the EFL's most dangerous forward, Williams, goalless in the second half

Thanks to his robust defence, Thompson's name was read out at the end of the match, and he found himself walking up to coach, Brodie Holland, who proudly wrapped the best-on-ground medal around his neck.

"I was actually shocked when my name got read out," Thompson said.

"I thought Caleb Vearing played an awesome game and (Patrick) Rose, (Dean) Galea and (Jason) Williams kicked a few goals as well.

"I'm still a little surprised but it's obviously really rewarding."

Despite the gut-wrenching two-point loss, Thompson would willingly put his hand up to play again if he is fortunate enough to be selected.

Not only did he get to learn off some of the best players in the competition, but he was also rewarded with the opportunity to continue to develop his own game.

"Knowing that I can play in that game with some of the better players in the competition and play a role on one of the better players gives me a bit of confidence," he said.

"Hopefully I can go back to Aberfeldie and take my game to another level"

Although the EDFL fell just short on the day, Thompson's game provided a high level of hope and promise for the future of the EDFL Interleague campaign.

# **Strathmore Moves Into Top Four**

# **By GEORDIE COWAN**

# (via Moonee Valley Leader)

STRATHMORE has sent a warning to the rest of the competition after moving into the Strathmore Community Bank Premier Division top four for the first time this season.

The Mores won every quarter on their way an impressive 18.12-120 to 12.8-80 win over Essendon Doutta Stars, their third victory in as many rounds after losing their opening three games.

"It was an important win to get back to 3-3," coach Nathan Grima said.

"The equation was pretty simple: lose and we're a couple of games out of the top four, win and it puts us back in the mix." Injuries have cruelled Strathmore, which has used 35 players in the first six rounds, but Grima said the early losses were due to more than that and him being a first-time coach.

"The thing which disappointed me the most was the basic fundamental errors and the opposition looked fitter than us," he said.

Former AFL big man Hamish McIntosh produced his best performance this year for Strathmore, booting four goals in a best-afield display, while five others kicked multiple goals. "He (McIntosh) had a clean out of his knee eight weeks

before the season and is now starting to get some continuity, as is Michael Firrito," Grima said.

Others to impress were Todd Grima, Tom Gleeson and Adam lacobucci.

Two players also made their debuts — 17-year-old Ben Reddick, who "came in and didn't look out of place at all, despite looking like he's 13 years old", and Tom Ingleton, 20, who despite injuring his knee in the first 15 minutes, "showed us and himself that he was more than capable at that level".

"That is the beauty of this year, so many players have debuted." Grima said.

Young forward Jack Landt booted five majors for the Stars, with Anthony Prestia and Jedd Clothier impressing. Patrick Veszpremi also bagged two goals.

While the Mores have won their past 11 quarters, they face a tough challenge today when they host ladder-leader Aberfeldie

"This will be a good test for us as to how far we've come," Grima said.

"We are having to work pretty hard, but hopefully we get the rewards for it later in the year."

#### Pascoe Vale v Keilor

IS the loser of this out of finals contention?

Somehow, now a third of the way through the home-andaway season, both Pascoe Vale and Keilor find themselves in Strathmore Community Bank Premier Division's no-man's land with a combined five wins from 12.

But they're in their respective predicaments for different reasons

Pascoe Vale went down by 40 points to Aberfeldie after falling away after half time last week at Clifton Park.

The Panthers' two wins came in the opening fortnight against two of the division's battlers – West Coburg and Craigieburn. They have since lost four on the trot, including home games to Essendon Doutta Stars and Greenvale.

Pascoe Vale is suffering from an inexplicable yet genuine home ground disadvantage when at Raeburn Reserve, and for that reason go in as an underdog despite Keilor's injury woes.

The Blues were down to one on the bench for much of the last quarter as Greenvale kicked clear from them last week. Mick James and Damien Cavka were missing to begin with, but by the end of the game Keilor had Dean Galea, Dylan Joyce, Jordie Grainger and Kieran Bell all under an injury cloud.

Galea is hoping to get up from his hamstring complaint after fighting off his striking charge at tribunal earlier this week.

A must-win for both clubs with finals aspirations.

#### Strathmore v Aberfeldie

It seemed unimaginable a month ago, but is this a sneaky Grand Final preview?

Some Premier Division pundits believe the 'Griff' is back in a big way after three successive wins.

The most-impressive of those came last week away to Essendon Doutta Stars, with big man Hamish McIntosh leading Strathmore to a 40-point win with four majors.

All the big names have lifted for Nathan Grima since the Good Friday loss to Keilor, with Adam lacobucci, Andrew Horne, Jaryd Cachia and both Grima boys all lifting in recent weeks.

Add to that a fit and firing Michael Firrito and finally it seems the Mores have hit their groove.

Their litmus test comes here at home to undefeated Aberfeldie.

Adam Potter's men have been flawlessly good to start Season 2017 and are right now deserving premiership favourites.

Up forward Kyle Reimers and Al Kefford are proving a dangerous goal-scoring duo, through the midfield the Blackwell boys and Josh Cubillo have lifted and their back line is as staunch as ever, led by skipper Luke Davis.

Here the pressure is on Strathmore – it's a game Aberfeldie can afford to drop.

#### Greenvale v Avondale Heights

Greenvale's form is as good, if not better than Aberfeldie's of late.

Even without ruckman Fabian Deluca last week, Keilor was no match for Paul Chapman's men.

The Jets' midfield is the most potent in Strathmore Community Bank Premier Division, contributing half of the winning score against Keilor.

There's a belief about them at the moment that the rest of the division is struggling to contain, and it's hard to pinpoint exactly how Avondale Heights can go about nullifying them at Section Road.

Avondale Heights is really battling and, as we've seen in recent seasons, there simply isn't enough help for its stars Patrick Rose, Mat Cravino and Cam Wood.

Rick Horwood did introduce some fresh blood into a side that really needed it, but it's not delivering as of yet.

Defensively, their midfield needs to be vigilant in this one.

# West Coburg v Essendon Doutta Stars

The Burgers are enjoying a two-game winning streak. Essendon Doutta Stars hasn't won a game since April.

It sets up an intriguing backdrop to what on paper seems like a relatively easy W for Douttas.

However, being at Coburg City Oval and having finally found its mojo, Digby Morrell's plucky young side should be priming themselves for their best performance yet.

Ruairi Cleary continues to impress up forward while the likes of Michael Tang, Setanta MacAodha and Dane Lucas are going to cause headaches for Dean Wallis.

The Stars simply aren't clicking at the moment and if they don't get it right this week, they won't win.

Losing Patrick Veszpremi, if he doesn't get up, will again hurt and further test Douttas' depth again.

# Maribyrnong Park v Craigieburn

Granted Maribymong Park is sitting pretty at 5-1, but this is actually not ideal timing for Craigieburn to be running into the Lions.

Reason being is that Maribyrnong Park is looking to keep improving.

Before the Interleague break, Strathmore played itself into form and kickstarted its season at the expense of Craigieburn and the final margin blew out past 200 points.

Will Robbie Castello look to do the same thing here?

Also at play is the percentage boost on offer.

Teams looking to play finals will need to ensure they to

Teams looking to play finals will need to ensure they top up their percentage when opportunities present, so Marby won't want to miss that boat here.

The key for Peter Bugden and his men will be to stop that, not only in this match-up but for the remainder of the season.

It's at the point now where pride needs to be restored for Craigieburn.

Clearly the personnel isn't there, so the Eagles need to dig deep and push these sorts of opposition sides as best they can.

There's a long way to go and Craigieburn can still shape how Season 2017 plays out from here.

# Are you suffering from dry skin,

of an Uber Secrets 20ml Rosehip Oil get you scars, stretch marks or wrinkles? FREE BONUS 50ml MOISTURISER CREAM worth \$49.95). This is equivalent to an amazing 73% OFF rrp. Limited offer DON'T MISS OUT If you suffer from acne scars, atopic eczema, dry skin, fine lines and wrinkles,

pigmentation spots, premature ageing, skin burns, stretch marks, sun damaged skin, sun spots or surgical and accidental scars... here's some really great news.

If you suffer from one or more of the above conditions Uber Secrets Rosa Mosqueta Rosehip Oil may be just what you are looking for. Rosa Mosqueta Rosehip Oil has been validated by Scientific Research worldwide. Following are just a few amazing findings.

#### Scarring (surgical, injury and post-burn) and premature ageing

During a two-year study by a team of researchers from the Faculty of Chemistry and Pharmacology at the University of Concepcion, a prestigious University in Chile, the oil was applied to 180 patients with surgical, injury and post-burn scars, as well as to a group suffering from premature ageing. It was found that Rosa Mosqueta (Rosehip Oil) produced an effective regenerative action on the skin, helping to attenuate scars and wrinkles, preventing advancement of premature ageing, and regaining lost colour and tone.

#### Surgical scars

Women who had suffered unilateral or bilateral mastectomy applied Rosa Mosqueta Oil after the surgical stitches were removed. After three months of applying the oil twice daily (morning and evening) the scars were less apparent, without lumps, and skin elasticity had improved, as had the colour of the area. In another study treating post-operative scarring, both from surgery and laser treatment, the results have been excellent in over 90% of the cases over a period of around six months' use. With acne scars the results are equally encouraging, even where scarring is over 20 years old. (Do not use oil if acne is still active).

"Now the Duchess of Cambridge, Kate Middleton's skincare secret has been revealed and it won't cost you a King's ransom". "Kate Middleton is said to be using a Rosehip Oil right now and she apparently is a huge fan."

Skin burns In a study of 90 patients who had suffered burns, a four-month treatment of Rosehip - Rosa Mosqueta Oil resulted in 97% improvement in relation to their initial state Dr Leonardo Rusowsky, surgeon at Enrique Deformes Hospital in Santiago, Chile, and acting president of the Corporation for Aid to Children with Burns has researched the healing properties of Rosehip - Rosa Mosqueta Oil and has stated that it improves the texture and quality of skin by increasing its elasticity, flattens out scarring and improves the colour of scars and surrounding skin.

# Airport West v Glenroy (Radio Game)

A SURPRISE top-of-the-table clash is the headline act in Round 7 for Essendon Ford Division 1.

Airport West is the hottest team in the division having won five straight, while Glenroy keeps ticking off the wins and has now beaten almost every contender it has faced bar Oak Park.

Here it's going to be another big test for Ross Terranova's men.

The Eagles have been well-led by the McVeigh boys and former co-coach Clayton Rogers, and up forward Tyson Young is second on the current Essendon Ford Division 1 goal-kicking table with 17.

Glenroy's impressive tall brigade will again be tested and led by skipper Travis Dulic, they should be able to match Airport West at either end of the ground.

It's the midfield battle that will most likely decide who will top the ladder come 5pm.

# Taylors Lakes v Westmeadows

Both sides last week dropped games they really needed to win. Taylors Lakes led for three quarters at Oak Park before allowing five goals to one in the final term.

Their season has been an interesting one to follow – winning the games they need to win and so far breaking even in the coin-flips.

This is a coin-flip, too.

Westmeadows has had a staggered month since going down to Tullamarine under lights in Round 2.

It was a daunting three-game stretch against the division's top three contenders and to come away from it with one win might be viewed by some as a tick.

However the fact remains that the Tigers are 2-3 and performing below par.

This presents them a chance to reassert themselves in the premiership conversation – one that Sam Tankard and his men want to be part of themselves.

Whoever takes the L here is going to face an uphill battle.

#### Tullamarine v East Keilor

The Demons haven't been in action for two weeks and, in all honesty, haven't really been pushed in three.

Here they get to face up to an East Keilor side that finally got to sing the song under new coaching duo Ash Arrowsmith and the division's leading goal kicker, Nick Grigg.

The Cougars' 171-point drubbing of Hadfield should already be enough to ensure survival from relegation, so that should now allow them some freedom in going after the rest of the division.

Despite their 1-4 record, the Cougar's enjoy a healthy percentage of 115.67, not only indicating a level of genuine competitiveness in their four losses but providing a bit of hope that in such an even competition, finals are not yet out of the question.

So, given Tullamarine's soft lead-in, East Keilor should be gearing up to take it up to the Demons and make a statement.

Only trouble is, Tullamarine is rested up and still boasts plenty of experience and class and on paper, looks the favourite here.

#### Hadfield v Oak Park

The East Keilor loss would have dampened the mood significantly at Martin Reserve.

It was the fixture that seemed most winnable for the Hawks to somehow survive relegation but now that they're two games and nearly 100 percentage points behind the Cougars, it would be a genuine footballing miracle if they don't end up back in Strathmore Community Bank Division 2 in 2018.

In a bizarre sort of way, it could have a positive effect on their mentality.

Clearly the cattle simply isn't there, so the aim should now be to cause as many headaches as they possibly can every week.

The more they persist, the more likely they'll eventually catch someone off-guard.

Oak Park, coming off an impressive come-from-behind win over Taylors Lakes, shouldn't be taking the Hawks lightly.

Michael Hooper will be keen to ensure his side does not take the foot off the gas during the week and coming into game-day.

By the same token, for the sake of keeping up with the rest of the division, the Kangaroos need to get the percentage boost, because every club that has played Hadfield to date is plus-100 in that category.

# **Preview | Strathmore Community Bank Division 2**

# By LIAM MCALLION

# Roxburgh Park v Jacana

ALL the talk around Strathmore Community Bank Division 2 is on this battle after both teams have kicked big scores and had blowout wins of late.

Quick forward entries and consistency around the ground has been evident through the figure of over 12 different goal kickers last week for both teams.

The leaders will be important through the midfield with both captains in the Jags' Michael Evans and Harley Short for the Magpies needing to contribute in big ways.

This will be highlighted in how hard these two and their teams go at the footy.

Who will lift?

Answers will be tough to tell until the very end as the Magpies are looking to become a big force of the division and the Jaquars want to continue their exciting recent form.

# East Sunbury v Northern Saints

Fast starts aplenty for East Sunbury is a positive factor for them but to get over the top of the Northern Saints, this pace will be needed for the entire match.

Both teams will match up well around the ground, with speed and ball-users who possess good decision-making in both sides.

This is mainly seen through ball magnets of Thunder's Lucas Shaw and the Saints' Wally Abbouchi, who will give it their all for their outfit and run all day.

Young but promising forwards in East Sunbury's Tom Burnside and the Northern Saints' Nicholas Bruno will again need to lift and their pace and class will be tough for defenders to stop.

A game full of similar, quick game styles will result in a mustsee match-up at Goonawarra and a close finish.

# Burnside Heights v Moonee Valley

With the Bears hungry for a win to climb the ladder and Moonee Valley wanting to continue their positive form, this match should be one to watch with players going hard. Even in losses, both teams tend to still finish with a high score.

This could result in a shoot-out between Lachie Cameron for Moonee Valley, who is in hot form as of late, and the home crowd's fan favourite in Josh Covelli, who will slot many more majors after already kicking 30 for the season. It will be an interesting match-up through size in this one, as the Fog like to use their height and strength around the ball, whereas speed across half back and the middle is the style of play when the Bears are fired up.

This use of strength is shown through Moonee Valley's Rhys Gleisner, who has built in each game this year and is now getting in some promising form.

Contrasted with quickness and agility off half back from Burnside Heights' Anthony Fawcus, we're set for a lot of spark and an interesting game, with both teams putting it all on the line

# Coburg Districts v Keilor Park

Coburg Districts is flying high and still undefeated, and it has shown it is top dog of the division so far.

Although Keilor Park is at the opposite end of the spectrum and has not recorded a win, the Devils cannot be judged on effort... as it is there every week.

Energy and pace with the footy is something the Lions players pride themselves on and is definitely evident through the high intensity that James Scheriani plays with.

Aiden Cassar for the Devils will also be a prospect to watch as he has built each week, even in tough times, to gain plenty of the ball and set up his team mates well with countless forward entries.

This game will be one of high quality and pride will be on the line for both clubs.

# **EDFL Junior of the Week**

# Luke Smith (Roxburgh Park)

LUKE, also referred to as 'SpongeBob' by his team mates, started playing Auskick at Roxburgh Park, before joining up for the club's first season of Under 8s in 2014 and has progressed from there.

Luke is a creative half back flanker who reads the play exceptionally well and distributes the ball brilliantly by foot.

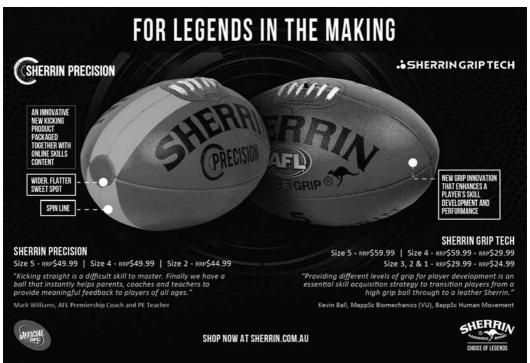

He always manages to find space and is a sensational intercept mark.

As a bottom-age player in the Under 10s, Luke won the best-and-fairest in his first year and backed up with another best-and-fairest last season.

Luke has been named one of the co-captains for this year and his leadership qualities have already come to the fore on numerous occasions.

Please send your Junior of the Week nominations (including an article and photo) to adem.s@ essendondfl.com.au.
