THE excitement of the finals is finally upon us for all of our senior divisions with the Strathmore Community Bank Premier Division getting their finals series underway this weekend.

Greenvale and Aberfeldie have clashed a number of times during recent finals campaigns and this Saturday's contest is expected to be a close affair for the two teams as they strive to advance directly to the Grand Final, thus avoiding the Preliminary Final.

The two teams met in last year's Preliminary Final with Aberfeldie prevailing on that occasion.

It is great to have Maribymong Park competing in the finals series again for

the first time since 2012, which is great reward for their hard work and effort of recent years.

As recently as 2014 Maribymong Park just avoided relegation, finishing second-last on the ladder and having to wait on the outcome of the final round match between Essendon Dousta Stars and Northern Saints before knowing that they had avoided relegation.

Strathmore also return to finals football in what will be their first finals match since their two-point Grand Final victory in 2014.

It is unusual for the Mores to go without finals football so they'll be looking to make the most of their opportunity this year.

Hillside will be looking to bounce back into form in the Essendon Ford Division 1 competition and will be aiming to play in their first senior grand final at Division 1 level.

They take on a rejuvenated Airport West team who have hit form at the right time of the year.

Only two weeks ago these two teams met in the final round of the home-and-away season, with Airport West running away with an upset win by 30 points to secure the final spot in the finals.

Their first encounter this year was a nail-biting one-point win to Hillside.

This weekend's match promises to be an enthralling contest against two tightly-matched sides.

Glenroy will be waiting for the victor on grand final day confident after a strong

season and a commanding performance in the Semi Final.

Glenroy's last Grand Final appearance at senior level was in 2013 with the club looking to go one better and make their way into the Strathmore Community Bank Premier Division.

A strong win last weekend sees Coburg Districts qualify for their first senior EDFL Grand Final since returning to the EDFL in 2013.

Coburg Districts has been top of the Division 2 ladder for 13 of the 18 rounds of the home-and-away season, sitting second for the five rounds that they didn't occupy top spot.

The Preliminary Final is shaping as an exciting contest with Jacana, the grand final team from 2015, up against a formidable Northern Saints who last year were playing in Essendon Ford Division 1.

Jacana has been the talking point of the season in many ways with their bold recruiting and strong player retention making them flag favourites for large parts of the season.

Meanwhile it has been a pleasing return to winning football for the Northern Saints, who have undergone a significant rebuild in recent years and are now enjoying the taste of victory.

With no AFL scheduled, this weekend is shaping as a great weekend of finals football and with two great venues in Coburg and Windy Hill being used, it will be great to see fans out in force to cheer on their teams this weekend.

THE timing was right for David Connell to return to Tullamarine Football Club.

Connell ended his playing days at the Demons and started his coaching career at the club in both the reserves and as an assistant coach.

He left the club to further develop his coaching skills, most recently as senior coach with fellow Essendon Ford Division 1 club Westmeadows for nearly four seasons.

Now after nine years away, Connell returns to the Demons as their new head coach.

"It's a good fit and it's close to home," Connell said on Monday.

"I was very new to coaching when I left the club. I've gone away and learnt a lot about what does and doesn't work.

"It's a terrific challenge at a club which has been fairly consistent for over a decade."

Having seen first-hand the Demons' list, Connell said he didn't expect them to make too many changes. He said they had a really good list and was excited by what they can do.

"We won't go recruiting too many players," he said.

"We want to look at bringing a few players back to the club and also get a bit more depth in the reserves. We've got a couple of question marks about which players will go on, but we're not expecting a huge turnover.

"It will allow us to focus on other areas in the club."

One of those areas is helping further establish the club's junior program. Connell was very big on promoting players through the sides at Westmeadows.

"Peter Labbad, who was my captain when I coached the reserves, did a fantastic job getting the under-17s up and running. In January they had one player on their books and ended up with 28 or 29 players and made a grand final.

"More than half of them will go up to under-19s [Tullamarine currently doesn't have a team]. I'm 100 per cent behind getting both under-17s and under-19s running next season.

The Demons were knocked out of the finals last Sunday by Airport West.

JACANA could be without star forward Cameron Cloke for its Preliminary Final against Northern Saints.

Cloke has registered 112 goals this year but was forced off the field with a back complaint during his team's 10-point loss to Coburg Districts in Saturday's Strathmore Community Bank Division 2 Semi Final.

The Jaguars also lost Rhys and Michael Evans during a calamitous first quarter at Coburg City Oval, leaving just one player on the bench.

Despite the setbacks, Jacana twice drew within a kick during a pulsating final 30 minutes after trailing by 19 points at the last break, only for the Lions to claim a 9.7-61 to 7.9-51 victory and a direct passage through to the decider.

"Rhys has ripped his hammy off the bone, so his season is done, while Michael has done a shoulder and Cam has done his back," Jaguars coach Robbie Fletcher said.

"I don't know whether they'll get up. We will review that during the week."

Jacana made 10 changes to its side after resting several players in the final round of the regular season.

"If you look at it, we came home like a wet sail, so some of that helped," Fletcher said.

"The boys were a bit fresher.

"As a coach, I'm happy with the decision, but at the end of the day it hasn't paid off."

Fletcher complimented Coburg Districts on its win, saying "they just played better footy".

"We butchered the ball a little bit and we didn't get our structures right," he said.

"They were the better side on the day."

GREENVALE v ABERFELDIE – Semi Final 2

Saturday @ Windy Hill – Radio Game

THE two best sides in the competition throughout the 2017 season go toe to toe and what a game it is going to be.

This is sure to get heated and fast.

The two met twice across the year, both games definitely not disappointing as the Gorillas handed Greenvale their first loss out of two for the season by a small margin of 20 points.

However, the second time around Aberfeldie didn't get as lucky, losing to the minor premier by 22 points.

At least Abers won't have to travel to Section Road this weekend.

Aberfeldie knows that after their loss to Keilor last year in the Grand Final that they need to win this time around, and the team standing in their way at the moment is Greenvale – probably the toughest competitor of the competition.

They will look to shut down Addam Maric, a challenge that has been too difficult for most teams over the course of the year.

However, it's something that needs to be done in order for Aberfeldie to win.

Courtenay Dempsey and Paul Chapman, if they are to play, will be the players Aberfeldie will definitely be watching as well.

Greenvale, on the other hand, have to be careful.

With the poise of Josh Toy and Ryan Allan, the Jets will be sure to stay tight on those two to reduce their possessions as they use the ball so well by hand and foot around the ground.

Kyle Reimers and Al Kefford will definitely be Aberfeldie's go-to options up forward and Greenvale may find they need to lock down on these two if they are getting too much of the pill.

These two teams never fail to entertain and this game will be fantastic to watch.

MARIBYRNONG PARK v STRATHMORE – Semi Final 1

Sunday @ Windy Hill – Radio Game

The last time Maribyrnong Park played in the Strathmore Community Bank Premier Division finals was back in 2012, as they were knocked out by the Jets in the Preliminary final.

A fair reason to give as to why the Lions will come out harder, faster and more switched on than ever this weekend against the Mores.

A shaky start, which then turned into a steady season has put Strathmore in a very comfortable position going into this weekend.

With a full team's worth of injuries at the start of the year, they have managed to turn it around and have won against all of the top sides in the competition, however, this is when it matters most.

If the Mores can produce a full squad this weekend they will definitely be a tough side to beat.

However, the Lions have proven across the year that they can win, having beaten Strathmore easily in Round 1 and only going down by four points in Round 10.

Jock Cornell and Will Martiniello led by example in that game, as they have plenty of times throughout the season and Strathmore will need to be on top of those two from the first bounce to shut them down.

With Adam Iacobucci missing the last few weeks it will be interesting to see if he gets up for the first final.

Seeing as he was best-on against the Lions last time around, he will definitely be a much-needed player.

Matthew Little up forward kicked four goals and was all over the Maribyrnong Park defenders, so they will certainly look to close him down as much as possible.

A win for either side puts them into the Preliminary Final, and one step closer to the ultimate goal.

Who will be victorious?

HILLSIDE v AIRPORT WEST – Preliminary Final Sunday @ Coburg City Oval

Two powerhouses of the Essendon Ford Division 1 competition will play off for a shot at the cup.

For Airport West, a few weeks ago it really didn't look like they were even going to make finals, losing their fourth position to Taylors Lakes and finding themselves in the fifth spot for five rounds in a row, as they lost back-to-back games that they should have won.

However, in Round 18, when their season was on the line, they managed to knock off Hillside by 30 points in a huge upset away from home, putting them back in the mix.

Now, the Eagles have outdone even themselves, now in a Preliminary Final against Hillside.

After losing the Round 18 clash, Hillside will be much more prepared and will have gone over exactly what Airport West is going to bring come game day, and how they will counter it.

The Sharks will be ready to bounce back after their disappointing loss to Glenroy last weekend and will want to make amends for what was out of the ordinary, you could say, for a team that has been exceptional for a lot of the year.

Last time these two teams played Airport West won the first quarter only to keep the ball rolling for the last three.

They stayed in control of the pill and did not let the Sharks get any easy ball.

It was an arm wrestle for both sides that eventually blew out in the third quarter as the Eagles kicked four goals to two to run away with it.

Lachlan Di Sebastiano will be someone the Sharks will watch carefully, as he ran ragged for four quarters and was the Eagles' best-on the day.

Tyson Young up forward is going to be a major focus as well.

Airport West will be keeping tabs on Tom Drake, who has had a fantastic season and played well against the Sharks throughout the season, and defenders will have to lock down tight on Brandon Coletta.

He is fourth in the goal kicking for the 2017 season and has been dominant up forward as well as around the ground.

A win for either side would be huge of course, putting them straight into the big dance, however, Hillside will most likely be favourite, seeing as they finished second on the ladder.

An upset win here for Airport West will see them go from fifth in Round 18 to the Grand Final with no double chance.

This is a game that cannot be missed.

JACANA v NORTHERN SAINTS – Preliminary Final

Sunday @ Coburg City Oval

A MATCH-UP of strength, endurance and size will provide for a major show here at Coburg City Oval.

An undermanned Jacana outfit, possibly without their skipper nor marquee forward, will have to lift all over the ground.

Corey McCawley for Jacana seemed to lift in Cloke's absence last week against Coburg Districts and they will need his aerial ability and accuracy in front of goal to get his side over the line.

With experience still aplenty and ball movement always classy through the middle of the ground, the Jags will still be at a very high level and will attack quick, long and direct all day long.

The Saints are coming off a strong win last week and will use this positivity to keep their train rolling.

They match up with Jacana very well with their size and speed, but the battle in the air and bursting out of contests will be where the game is won and both teams will lift in this area for the big occasion.

The purple and gold army will fire up the players after such a successful season and want for more success.

To go out in straight sets would be disastrous.

The Saints showed on Sunday against Moonee Valley they have enough firepower and class through the middle to be able to match it with Jacana, so this is going to be an epic clash for the right to advance to the Strathmore Community Bank Division 2 Grand Final.

Senior Football Positions for 2018

West Coburg Football Club, who plays in Premier Division of the EDFL, is seeking expressions of interest for the following positions for season 2018 and beyond:

- Senior Coach
- Senior Football Operations Manager

Remuneration for both positions will be commensurate with experience and value that can be added to WCFC.

Applications must be received via e-mail addressed to club Secretary Kim Behringer, at secretary@wcfc.com.au

Immediate enquires to Club President David Gloury on 0414 151 591

All applications will be treated in the strictest confidence and will close at 5pm, Friday, September 22, 2017.

Are you suffering from dry skin, scars, stretch marks or wrinkles?

If you suffer from acne scars, atopic eczema, dry skin, fine lines and wrinkles, pigmentation spots, premature ageing, skin burns, stretch marks, sun damaged skin, sun spots or surgical and accidental scars... here's some really great news.

If you suffer from one or more of the above conditions **Über Secrets Rosa Mosqueta Rosehip Oil** may be just what you are looking for. Rosa Mosqueta Rosehip Oil has been validated by Scientific Research worldwide. Following are just a few amazing findings.

Scarring (surgical, injury and post-burn) and premature ageing

During a two-year study by a team of researchers from the Faculty of Chemistry and Pharmacology at the University of Concepcion, a prestigious University in Chile, the oil was applied to 180 patients with surgical, injury and post-burn scars, as well as to a group suffering from premature ageing. It was found that Rosa Mosqueta (Rosehip Oil) produced an effective regenerative action on the skin, helping to attenuate scars and wrinkles, preventing advancement of premature ageing, and regaining lost colour and tone.

Surgical scars

Women who had suffered unilateral or bilateral mastectomy applied Rosa Mosqueta Oil after the surgical stitches were removed. After three months of applying the oil twice daily (morning and evening) the scars were less apparent, without lumps, and skin elasticity had improved, as had the colour of the area. In another study treating post-operative scarring, both from surgery and laser treatment, the results have been excellent in over 90% of the cases over a period of around six months' use. With acne scars the results are equally encouraging, even where scarring is over 20 years old. (Do not use oil if acne is still active).

"Now the Duchess of Cambridge, Kate Middleton's skincare secret has been revealed and it won't cost you a King's ransom". "Kate Middleton is said to be using a Rosehip Oil right now and she apparently is a huge fan."

Skin burns

In a study of 90 patients who had suffered burns, a four-month treatment of Rosehip - Rosa Mosqueta Oil resulted in 97% improvement in relation to their initial state. Dr Leonardo Rusosky, surgeon at Enrique Deformos Hospital in Santiago, Chile, and acting president of the Corporation for Aid to Children with Burns has researched the healing properties of Rosehip - Rosa Mosqueta Oil and has stated that it improves the texture and quality of skin by increasing its elasticity, flattens out scarring and improves the colour of scars and surrounding skin.
