Umpires

All field, boundary and goal umpires to be supplied by the EDFL for all final games.

Trainer

Trainers must be correctly attired in **white** trousers/shorts and a black trainers vest and are only allowed on the field to attend to an injured player. Should a player require lengthy attention, they should be moved from the playing area and an interchange player used while the injured player receives attention. A trainer must leave the field immediately after he/she has rendered treatment to a player. Umpires can be asked to stop play only to remove seriously injured players (if a stretcher is called for).

One trainer is allowed in the coach's box, all other trainers are to position themselves 30 meters away from the coaching bench.

Hosting EDFL Club

It is the hosting clubs responsibility to supply a **TIME KEEPING CLOCK and STRETCHER**

Be certain to have your stretcher on hand next to the coaching bench not in the club rooms.

Participating clubs should ensure prior to the start of the game that a stretcher is available and where possible a club have their own time keeper's clock as a precautionary measure only.

Interchange / Coaching Bench

No more than 5 (five) non playing officials are permitted on the bench (this **MUST INCLUDE Trainer and Runner**), PLUS interchange players.

Coaching officials must be situated at least 1 metre from the boundary line. No person is permitted to be inside the fence. No person is allowed on the bench without wearing an identification vest.

Tied Scores

Should all scores be tied at the end of the game (to be confirmed by the goal umpires), extra time will be played. Teams will change ends and play 5 (five) minutes one way then immediately change ends (No coaches on the ground) and play 5 (five) minutes the other way. If, after the extra 10 minutes, the scores are still tied then the same procedure will be repeated until a winner is decided.

Under 11 ONLY – In the event of a drawn game, coaches will be allowed 3 minutes to speak to their players prior to the commencement of the extra time (This will be signalled by the Time Keeper with the sounding of the horn)

This is to eliminate the possibility of time wasting tactics being used in games. The home side time keeper is to make sure the new football being held is given to the winning sides Team Manager after the game.

Under 11 ONLY – The time keeper will signal the start of a 3 minute period (two bursts of the horn) to enable each coach to speak to their players and advise then what is now required because of the draw, likewise the timekeeper will signal the end of the 3 minute period (one burst of the horn) to enable the Umpire to re-start the game
