TODAY is the biggest day on the EDFL's calendar – the Strathmore Community Bank Premier Division Grand Final.

We have two of the EDFL's powerhouse clubs taking centre stage today with Aberfeldie taking on Greenvale.

Aberfeldie has become an irresistible force in recent years. This year will mark the club's fifth successive grand final appearance.

Aberfeldie had to wait a mammoth 41 years between their top-flight successes in 1974 and 2015 and are hoping that 2017 becomes their third

premiership at Premier Division level and their seventh senior premiership overall in the EDFL.

Overcoming Greenvale, a name that has become synonymous with success, will be no easy feat. In 14 years of Premier Division football, Greenvale has reached the grand final on 10 separate occasions, having already won four premierships and looking to add a fifth today.

Greenvale is also looking to be the first club to win three open-age premierships in the same year. Having won the Thirds premiership earlier in the year, the club now stands on the verge of winning the reserves and seniors. This demonstrates a tremendous amount of depth in the senior ranks at Greenvale.

This depth will be put to the test today with injuries to key players posing a question mark over the Greenvale line-up. It will be interesting to see the 22 players who run out for Greenvale, throwing a layer of intrigue over the match.

Having finished in the top two positions on the ladder after the home-and-away season, separated only by percentage, it is fitting that these two teams have won their way through to the grand final.

I extend the best of luck to John Larkins and Adam Potter at Aberfeldie and Bruce Kent and Paul Chapman at Greenvale.

It is going to be an exciting end to the season.

I must extend my congratulations to both Glenroy and Jacana for achieving premiership success in their respective divisions.

Glenroy has clearly been the standout team in the Essendon Ford Division 1 competition and richly deserves their premiership success. It is a welcome return to the Premier Division for a strong club, having last competed at the top level of EDFL football in 2009.

Congratulations to Murray Nilsson, Adrian McDonald, Ross Terranova and everyone involved in Glenroy in a magnificent season.

For Jacana, 2017 has completed the rags to riches story for the club. Victory last Saturday marked their first senior premiership in the EDFL, having joined from the RDFL in 2001. In 2012 the club finished last with zero wins and a percentage of only 7.54. A lot of effort has gone into rebuilding the club from many Jacana stalwarts and it is great for those loyal servants to witness the club achieve premiership success.

Congratulations to Rick Lloyd, Khan Sayers, Rob Fletcher and everyone involved in Jacana on making EDFL history.

I hope everyone enjoys today's Grand Final. It will undoubtedly be a fantastic spectacle of EDFL football.

ANOTHER Aberfeldie v Greenvale Grand Final is a fitting way to bring Season 2017 to a close.

Today's Strathmore Community Bank Premier Division decider will be the third instalment of what can now be considered a trilogy.

It all started back in 2013 as Aberfeldie, led by Brisbane Lions premiership star, Mal Michael, advanced to into the Grand Final, still looking for a companion to sit alongside its lone A-Grade premiership cup from 1974.

Abers eventually faced Greenvale in the decider, but Anthony Rock's men were too good and won by 14 points. Two years later they met again at Windy Hill.

This time it was Adam Potter leading an undefeated Abers side up against Shannon Grant's Jets.

Aberfeldie agonisingly went down the year before to Strathmore and recruited heavily under new coach Potter to ensure they'd be back for a third crack.

With eventual Reg Rose Medallist Angus Graham slotting seven majors, Aberfeldie broke their hoodoo in emphatic fashion and finally, the heroes of '74 had new company.

You have to go back to 2011 for an A-Grade/Premier Division Grand Final that did not feature either the Gorillas nor Jets.

Since then, the EDFL has been dominated by these two foes.

Led brilliantly by two of the finest law men in the business, these two clubs have kept very close tabs on each other in the pursuit of Windy Hill glory.

Think about some of the names you'll see out here today: Toy, Maric, Blackwell, Caruso, Reimers, Dempsey, Johns and Chapman.

I could have named more, but you can find the rest of them on Page 25.

Do you really think both Aberfeldie and Greenvale would have accumulated so much quality if they weren't striving to better one another?

Many should be credited, but what both John Larkins and Bruce Kent have done these past five years is remarkable and we, the EDFL family, are the beneficiaries.

Today we get to witness the EDFL's finest go at it on the biggest stage once more in a game that will likely go to down to the wire.

They'll also face off in the Reserves Grand Final, only in different coloured shorts... not to mention that the Senior Thirds Grand Final was also an Aberfeldie v Greenvale one.

Today belongs to the two greatest EDFL clubs of the modern era, and we're all lucky enough to have a front row seat to their greatest bout yet.

MARIBYRNONG Park finished its season in unusual fashion last weekend, declared the loser after the Strathmore Community Bank Premier Division Preliminary Final was called off at three-quarter-time.

The Lions were trailing Greenvale 18.5-113 to 12.8-80 when the game was halted due to a broken right ankle suffered by ruckman Chris Prowse, after he landed awkwardly in a marking contest.

With medical staff unwilling to move the player for fear of aggravating the injury, an ambulance took about an hour to arrive at Coburg City Oval before the player was taken from the ground after 30 minutes of treatment.

By the time the ambulance left the playing surface about 6pm, daylight was dwindling and league officials were unwilling to resume in respect for the players' safety.

"In accordance with the laws of the game, if a match is unable to be resumed within a 30-minute period, the scores are deemed to be the final scores of the match," EDFL chief executive Marc Turri said.

"Obviously the player's welfare was paramount. No one wanted to move him until he was able."

Maribymong Park coach Robbie Castello said his players were keen to continue.

"It was a weird way to finish a game, not playing the last quarter and having a crack, but we're super proud of where we've come from as a football club," he said.

"The young fella was in a fair bit of pain and it shook a few boys up. We would have liked to have had a crack, but these things happen and it's more about just getting Chris' foot right."

After an even first term, Greenvale burst clear in the second quarter and both teams kicked seven majors in the third term before the match was called off with the margin at 33 points.

"It was a bit of an arm-wrestle early, but then they got the ascendancy," Castello said. "The third quarter was pretty good footy but they got a couple of goals late, which really hurt us."

Midfielder Will Martiniello impressed, as did John McKenzie, Pan Kokkinakis and Prowse dominated in the ruck early, while Castello kicked four goals himself.

The coach was proud of his club's season, with its top four teams all making finals.

"To make a preliminary final against Greenvale, I'm super proud," he said.

"We have an average age of 22 ... so there is a lot of improvement to come."

GLENROY'S first premiership triumph in nine years on Sunday was "validation" for the club.

Against a zippy and unexpected opponent in Airport West, the Roys stuck true to their structure and ultimately just held on in a thrilling Essendon Ford Division 1 Grand Final, winning 15.-95 to 12.10-82.

"It is validation that we've been on the right path for a few years now," Glenroy co-president Murray Nilsson said.

"A couple of years back we went and got (coach) Ross (Terranova). We thought he was the right man for the job and we never wavered from that.

"Terro's done a great job, put a good list together ... it was touch and go and our boys gutsed out a really good win.

"We are a club-first club and it was a great club effort, so this is the cherry on top for us."

With a boisterous supporter base behind them, creating a 'sea of red', the Roys entered the grand final having only lost two games all season.

But an Eagles side which only scraped into finals before thrilling close wins against Tullamarine and Hillside challenged the favourites from the outset with a fast playing style to counteract Glenroy's bigger and stronger bodies.

The margin remained close throughout, only extending beyond two goals in the last quarter when the Roys established a 24-point advantage, with the Eagles fighting until the last second.

David McWilliam Medal winner Adam Winter was vital for the victors, kicking 7.1, including three set shot goals from the fence, but his accuracy was reflected throughout the team as it took its chances.

"They came at us pretty hard from the word go," Terranova said.

"We had to sustain and they just kept coming and coming."

The "ecstatic" coach said to win the premiership was an "absolutely fantastic" achievement.

"To come from where we were last year — we only won six games and now we've won the premiership," Terranova said.

"At the start of the year I wanted to play finals, that was the expectation, then we started on a roll."

Terranova was also pleased with the efforts of midfielders Scott Gilliland and Josh Ksiazek and defenders Trent Fisher and Matt Willox.

"It was a patchy sort of game but we needed 22 contributors and we got that today," he said.

Now with a berth in Strathmore Community Bank Premier Division, Terranova said the club had set itself up to be competitive.

"The club's ready to go and it's a credit to (presidents) Murray Nilsson and Adrian McDonald and the committee of Glenroy Football Club because we're keen on going up there," he said.

"All of our blokes have re-signed and we have got a couple of irons in the fire, so hopefully we'll be competitive up there."

Nilsson said it would be "foolish" to not consider next season a big challenge, but the Roys have built their list with promotion in mind.

"We could see the signs so we went out and recruited a bit smarter and younger, for the reason that we can take those young blokes to A grade," he said.

"We know we've got to recruit a few more, but it just validates the club that we're ready to mix it up top.

"We'll enjoy this, it's been a long time coming. It's reward for those guys who have stuck around.

"It's not a player or a president, or a committee person. It's a decade of toil by a lot of people, so we need to get back and enjoy it because they are hard to get."

*(Star Weekly)*

TWENTY two players may have taken to the field for Jacana in the Strathmore Community Bank Division 2 Grand Final, but it's taken a lot more than those guys to claim the premiership flag.

A group of determined people behind the scenes have ensured the club continues to exist.

Not that long ago, the Jaguars were on the verge of folding.

They were being smashed by 30 goals each week, there was a lack of sponsors and players were unhappy about fronting up to lose every week.

Diehard Jaguars supporters and players fought hard to make sure the club survived and were rewarded with the premiership on Saturday.

Jaguars president Rick Lloyd was an emotional man after the win, which means so much to so many.

"I think what it means to the club," he said. "The last five or six years, we've come a long way from where the club was being beaten by 30 goals week in and week out ... the supporters have stuck by us.

"A few hard nuts have come on to the committee, tidied it up a little bit and got the right people on board.

"I've been in the club 50 years. Most of us don't live in the area any more, but we travel from everywhere. Jacana is Jacana and you can't beat that."

Lloyd was quick to highlight that it wasn't just those currently on board that had done the hard work, saying everyone who had stepped up during the tough times deserved credit.

He said Ian Jensen and Brett Jensen who were instrumental in the rebirth project and former coaches Matthew Sacco and Aaron Collins had played big roles in getting the club to where it now is.

Three-time AFL premiership player and now Jacana premiership player Chris Johnson is another who stepped into help, while Lloyd said Khan Sayers had been fantastic for five years behind the scenes.

Lloyd said that when they set about reinvigorating the club, they put in a place a five-year plan with a premiership in the final year the aim.

On Saturday, they achieved that with the 17.5-107 to

12.10-82 win against Coburg Districts, meaning next season the Jaguars will be playing in Essendon Ford Division 1.

"Fifteen of these guys have all played junior football at Jacana over the years," Lloyd said.

"A lot of people think we brought a lot of players in, but it's just local kids coming back and playing for the club.

"We went out and said that we would have a really good crack this year. We've achieved it.

"Two years ago, we thought we had a mediocre side, but the boys' heart and soul got them into a grand final.

"No one expected it. No one expected to win, but we had a crack. We wanted to build on that.

"We've done the hard yards."

For Johnson, to be part of a Jacana premiership is a dream come true. He might have three AFL premierships, but winning a flag with his junior club is right up there.

"I've always wanted to come back here and play in a premiership," he said. "My father did back in 1982 and the last premiership the club played in was in 2000.

"We hadn't won one here (EDFL). It means a lot. I only live down the road. My family is always welcome, so it's just a great place to be around."

Johnson was one of those people who stepped in to help the club when it looked like folding.

Like so many others, he didn't want to see a club that meant so much to so many disappear.

"Four, four and half years ago, there was talk about folding," he said. "We decided to get our hands dirty. We've got some people externally who have given us some support and sponsorship, and those people have been fantastic.

"All the hard work everyone has done behind the scenes ... it's paid off and now we have to go again and look towards Division 1."

Despite being the oldest player in the side, Johnson didn't let his younger teammates overshadow him and he was one of his side's best.

"It took me a while, but once I got going it was a bit of fun," he said.

## By JACOB MANZIE

AFTER a long 2017 season, the best two teams in the Strathmore Community Bank Premier Division were Greenvale and Aberfeldie, and they will battle it out this weekend for the ultimate prize.

However, only one side can prevail.

Although they were arguably the best team all year, Greenvale still had a tough finals run in order to get to the last game of September.

A tough battle against Aberfeldie in the first final saw them go down, only to go into an arm wrestle against Maribymong Park last weekend which ended in unexpected ways.

A fresh Aberfeldie side, after their week off, will run out this weekend against a bruised and battered Greenvale, yet, the game definitely won't disappoint.

Greenvale will be going over all of the areas that went wrong in the first final to ensure the same result doesn't repeat itself.

Aberfeldie will be improving any grey areas they had and will sharpen the edges so no mistakes are made.

In the first final, when Greenvale got tired they found it difficult to get it into their forward 50, and when it did it was a lobbed kick which was rebounded quite well by a gallant Aberfeldie backline.

On top of this, the Jets might be down a big name, with

Addam Maric being in serious doubt after a hamstring scare against Maribymong Park on the weekend.

Maric kicked four goals in the first final and has been a vital part of Greenvale's success all year, which could be a huge loss and a major help for Aberfeldie.

The other option the Jets have is Jacob Thompson, as he kicked four as well.

Now that Maric might be a possible out, Thompson will definitely need to step up again in-front of goal.

Aberfeldie were able to find targets well inside their 50, with three shots from Kyle Reimers in the dying minutes alone - something the Jets will need to be watching closely this weekend.

However, in order for the Jets to get a different result, they need to ensure their midfield get on top early, but also, they need to stay on top for four quarters and run out the whole game.

Greenvale's midfield dropped off during the second half of the first final, and Aberfeldie's midfield was off the leash, with spare players all over the ground giving them plenty of run. The game will commence at 2:30pm and won't be one to miss.

Both sides will be hungry, but only one will be victor.

## Are you suffering from dry skin, scars, stretch marks or wrinkles?

If you suffer from acne scars, atopic eczema, dry skin, fine lines and wrinkles,  
pigmentation spots, premature ageing, skin burns, stretch marks, sun damaged  
skin, sun spots or surgical and accidental scars... here's some really great news.

If you suffer from one or more of the above  
conditions **Über Secrets Rosa Mosqueta  
Rosehip Oil** may be just what you are looking  
for. Rosa Mosqueta Rosehip Oil has been  
validated by Scientific Research worldwide.  
Following are just a few amazing findings.

### Scarring (surgical, injury and post-burn) and premature ageing

During a two-year study by a team of researchers  
from the Faculty of Chemistry and Pharmacology  
at the University of Concepcion, a prestigious  
University in Chile, the oil was applied to 180  
patients with surgical, injury and post-burn scars,  
as well as to a group suffering from premature  
ageing. It was found that Rosa Mosqueta (Rosehip  
Oil) produced an effective regenerative action on  
the skin, helping to attenuate scars and wrinkles,  
preventing advancement of premature ageing,  
and regaining lost colour and tone.

### Surgical scars

Women who had suffered unilateral or bilateral  
mastectomy applied Rosa Mosqueta Oil after  
the surgical stitches were removed. After three  
months of applying the oil twice daily (morning  
and evening) the scars were less apparent,  
without lumps, and skin elasticity had improved,  
as had the colour of the area. In another study  
treating post-operative scarring, both from  
surgery and laser treatment, the results have  
been excellent in over 90% of the cases over  
a period of around six months' use. With acne  
scars the results are equally encouraging,  
even where scarring is over 20 years old.  
(Do not use oil if acne is still active).

"Now the Duchess  
of Cambridge, Kate  
Middleton's skincare  
secret has been  
revealed and it won't  
cost you a King's ransom".  
"Kate Middleton is said to  
be using a Rosehip Oil  
right now and she  
apparently is a huge fan."

### Skin burns

In a study of 90 patients who had suffered  
burns, a four-month treatment of Rosehip  
- Rosa Mosqueta Oil resulted in 97%  
improvement in relation to their initial state.  
Dr Leonardo Rusowsky, surgeon at Enrique  
Deformos Hospital in Santiago, Chile, and  
acting president of the Corporation for  
Aid to Children with Burns has researched  
the healing properties of Rosehip - Rosa  
Mosqueta Oil and has stated that it  
improves the texture and quality of skin  
by increasing its elasticity, flattens  
out scarring and improves the colour  
of scars and surrounding skin.

## By ADEM SARICAUGLU

GLENROY is a Strathmore Community Bank Premier Division club after outlasting a brave Airport West outfit in Sunday's Essendon Ford Division 1 Grand Final.

The Roys were hot favourites coming in, fresh from a week off and having taken care of Airport West comfortably twice in the home-and-away season.

But Grand Finals are a different beast.

On a perfect Windy Hill day, the Eagles stunned most of the pundits predicting an easy day for Glenroy, going toe-to-toe with the favourites all the way to the end.

Matt Walker kicked for the first goal of the game but the McVeigh brothers, who both starred, quickly responded to get the Eagles ahead early.

However, Airport West's back line struggled to contain Adam Winter, who by quarter time already had three goals to his name.

Brendan Godden, the hero in the Prelim Final win over Hillside, again looked threatening on Sunday, scoring the first goal of the second term to put Airport West nine points up.

But Winter then combined with Luke Capuano and Reid Nilsson to pile on three Glenroy majors in what was fast becoming an entertaining and see-sawing shoot-out.

Glenroy was also super accurate in front of the sticks, going into half time with eight straight goals on the board.

Winter was tucked up against the fence in the Primary School pocket as the half time siren sounded across Windy Hill.

He slotted his fifth with ease, putting Glenroy ahead at the main break by only three points.

Any momentum that goal generated didn't last, though, as two quick Airport West goals to start the second half put the Eagles nine points ahead.

Their intensity around the ball was immense, but Glenroy kept with them and seemingly always had an answer.

The next three goals of the game were all Glenroy's, and by three-quarter time they remained ahead by five points.

After three quarters of free-flowing, exciting Essendon Ford Division 1 footy, fatigue set in for both sides as the Grand Final became a dog fight.

Winter, the division's leading goal kicker and eventual David McWilliam Medallist for the day, again stood up, kicking the first two goals of the final term before Jayden Walker slammed through his second from 50 to put Glenroy 24 points ahead – the Roys' biggest lead of the day.

Clayton Rogers, thrown forward as he often is, got one back for the Eagles but that was the last goal of the game.

The Eagles kept penetrating and peppering the sticks, but they ran out of time.

Glenroy was too strong, too efficient and too classy in the end, and the Roys now find themselves among the EDFL's elite.

And deservedly so.

## By LIAM McALLION

A PACKED house at Windy Hill witnessed some of Strathmore Community Bank Division 2's biggest names produce a high-quality Grand Final.

A close first quarter had two of the competition's leading goal kickers at one apiece, hinting at a shoot-out.

However, a collision to Coburg Districts' Luke Vesnaver's shoulder dwindled this and his absence through parts of the second and third quarters hurt the Lions' structure.

Frustration built for the big man and coach Chris Tankard, but a bold move sending full back Daniel Campbell off Cameron Cloke and into to the forward line helped.

During all of this, the Jags kicked 10 goals to nine and used their marquee man effectively in Cloke, who was simply unstoppable, even against three contesting in the air, and finished with a huge seven majors in the big dance.

The Lions' attack of the Jaguars and passion for their teammates really stood out as a key factor, not only lifting the players' intensity and belief but the crowd's, as they became more boisterous behind the minor premiers.

Ex-AFL stars, players on the rise and every player going hard at the footy made for a hard-hitting, fiery game, sparked by long distance goals and a lot of tussling.

Classy baulks, spin moves and targets hit from Jacana's Chris

Johnson all day lifted the purple and gold in attack and the crowd was left in awe countless times.

Coburg Districts cult hero and leader Tom Lucin stepped up and handled a lot of the Jags' pressure.

He cleanly took the ball from packs, but the relentless tackling pressure that each and every Jacana player had was too much for most of the blue and white to handle.

A determined, passionate and spirited club of Jacana shone through coach Robert Fletcher's words at three quarter time; "You and all of us know what it means to walk into the club of Jacana, now let's make this Jacana a deserving premiership club."

His players were inspired and many lifted for an exciting last quarter, where in big-time moments fan favourite Bryce Kimuliatis stood up.

Fitness and great ball use for the Jags set up Kimuliatis for two clutch goals in the last quarter, including a bomb from 50 on the boundary, building that belief and excitement of a premiership and move up in grade for Jacana.

Pressure and will for the footy got Jacana over the line in the end, for what was their first ever senior EDFL premiership.

Ruckman Billy Morrison was the star, winning the best-on-ground medal.
