COBURG FOOTBALL CLUB SEEKS MATCH DAY VOLUNTEERS FOR 2018

The Coburg Football Club is recruiting for Statisticians for the 2018 VFL Season. This is an exciting opportunity for current students (experience or internship), recent graduates or those passionate about football and statistics to gain invaluable experience in an elite football club.

We are after motivated and aspirational individuals with a passion for football and the analytics side of the game. You will work as part of a fantastic team that provides our football department with the data and vision that they need to perform their jobs to the best of their abilities.

You will also receive experience with the Sportscode program which is the premier Performance Video Analysis software program used by many AFL & sporting leagues / clubs around the globe.

You will be required to commit to most of our match days throughout the season as well as practice matches (March – September). The matches are played on either Saturday or Sunday at varied times throughout the season as below.

Previous experience or knowledge with Sportscode & Apple Macs will be highly desirable but not essential. Intermediate IT skills are also desirable.

For further information, please contact Sebastian Spagnuolo on 0406 494 086 or via email at s.spagnuolo@coburgfc.com.au

To apply please email your CV and any prior football experience to s.spagnuolo@coburgfc.com.au
