The Glenroy Football Club is excited to announce the appointment of Brett Jeffrey as our new Director of Junior Coaching for 2018 and beyond.

Brett comes into this role extremely well credentialed. He was AFL listed at the Melbourne Football Club before moving on to Springvale in the VFL for five years, resulting in a Senior VFL premiership.

Brett then went on to dominate the Northern Football League Senior competition at Northcote Park which resulted in winning four Senior Premierships, four Senior Club Best & Fairest awards and a League Best & Fairest medal.

After that he played country football for one season at Orbost with a group of mates, resulting in another premiership, a Club Best & Fairest plus a League Best & Fairest.

After achieving so much in his career Brett then came to Glenroy to coach our great club at Senior level before becoming our Auskick coordinator for five years. We see Brett's appointment to the position of Director of Junior Coaching as one of our major building blocks for our future.

Our club has recognised the need to reinforce our great club standards and discipline throughout our junior program. This will ensure that our junior players continue coming through to senior level as they have in the past two Senior Premierships.

The 2008 Senior Premiership team included 11 players who had come through from under 10's, including the premiership captain. The 2017 Senior Premiership included 10 players who had come through from under 10's, again including the premiership captain.

This is an outstanding result and we will work tirelessly to ensure this continues.
