Club Overview:

The Jacana Football Club has a proud history, producing many great players at all levels of football, including Bruce Doull, Ross Smith, Scott Wynd, Jose Romero and Chris Johnson. The club has experienced ups and downs over the past decade, however has reached a period of stability throughout the past 6 seasons. Throughout this time, our passionate and hardworking committee has enabled the club to become financially strong, build a junior base and change the recent fortunes of our senior team. We have built strong relationships with the Broadmeadows community, AFL Victoria, Essendon District Football League and local MP Frank McGuire; all of whom have shown a commitment to support our committee in growing the club.

We believe ladder position of our senior team was not a true reflection of the character and ability of our playing group, winning the EDFL DIV 2 grand final in 2017, injuries throughout the 2018 season hasn't allowed the team a consistent run .

Specifically, the position will be assessed at the contracts end (12 months initially) on the coaches ability to achieve the following outcomes:

- Bring togetherness and development to a young playing group that will form the basis of our premiership endeavours
- Work with and unite a coaching group that can foster the growth and development of our playing group
- Bring about group discipline, whilst demonstrating care for our players and the group
- Preparedness to be supported by and work with our clubs committee, which will include members of our Junior and Womens programs
