# Chairman's Report

**W**HEN looking back on Season 2018 and what it delivered, it could easily be summed up by more people, more teams and more clubs playing EDFL football than ever before.

## Men's Football

Across all three senior divisions we experienced our most even competition in the history of the EDFL. This evenness could be attributed to the impact of the points system and salary cap or it could be that more clubs are working smarter to make their club an attractive destination in the congested sporting market. There may be some that argue that the points and cap restrictions are actually lowering the standard of the competition, however maybe the restrictions are spreading the top end talent across more EDFL clubs. The EDFL Finals Series delivered on two fronts - attendances and on-field theatre. Windy Hill continues to play an important role in both and we must continue to maximize the venue to the benefit of the EDFL.

## Women's Football

The growth in female football continues with 20 per cent of the EDFL made up of female participants. The EDFL provided its own stand-alone EDFL Women's competition after co-existing with the WRFL. The challenge moving forward is managing the growth.

## Growth

With the overall growth of the EDFL, facilities have become a major focus. New growth areas are providing venues and facilities that cater for both male and female participants and increased traffic on grounds. However, in our established areas that continue to grow in participants, there are no new grounds and facilities have to be continually re-developed. We are receiving valuable support from our council partners Moonee Valley, Moreland, Hume, Melton and Brimbank. It must be remembered that the EDFL clubs are the biggest organisation in these council areas and are providing enjoyment for over 2000 players each weekend. When you factor in umpires, parents and volunteers, you can understand why facilities are so important. This year we established an EDFL working party to analyse the league on-field and off-field. This working party is chaired by Jeff Gieschen and consists of the EDFL CEO, Football Operations, the Umpire Department, EDFL Media and on-field club representatives Adam Potter, Mick McGuane, Geoff Madden and Chris Tankard. With the game of Australian Rules changing rapidly, this working party is entrusted to ensure that the EDFL is best-placed to meet future challenges.

## The Future

In 2019 we will welcome the Sunbury Kangaroos to the EDFL. Allan Walters and his team at Sunbury Kangaroos should be commended in the thorough process they undertook

to ensure the best possible future for their club.

Looking to the future and the challenges that lay ahead, there are many. When it comes to growth management, we must learn from the errors of the past. We must secure Windy Hill, to ensure the EDFL's future and presence in the community. We need to create more revenue and third-party options must be developed. We must invest in EDFL staffing to provide the clubs with the best possible resources. Also, the time has arrived to define EDFL boundaries.

## Board Level

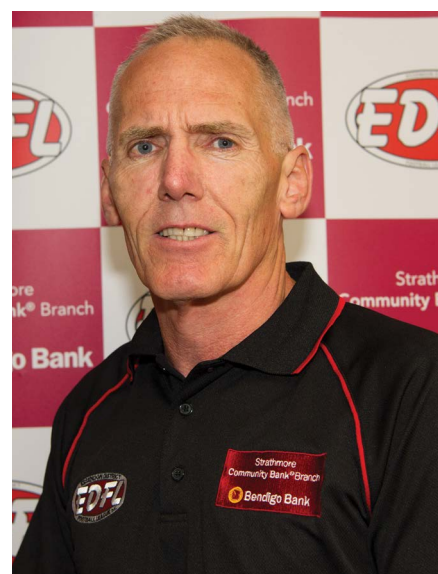

The EDFL's standing today would not have been achievable without a strong board. Board Members Romy Gutbier, Wayne Anthony, Bernie Shinnars, Tanya Taylor and Rob Castellanos are all passionate EDFL people who have a great understanding of community sport. Whilst we all have an EDFL club connection, rarely do we all agree on all matters and I believe it is that trait that challenges the Board to ensure the best for the EDFL.

In saying that, the EDFL Board will undergo significant change in 2019. I as Chairman will be stepping down after 19 years as a Board Member and six years as Chairman. We also have a vacancy that has carried over for two years and Wayne Anthony will also be stepping down, which creates three vacancies. The positive is we have seven new applicants applying to become Board Members, so for the first time in many years, a vote will be required as we have more nominations than positions. This is a great position to be in and proves again the standing of the EDFL. I would like to thank Wayne Anthony for his contribution to the EDFL as a Board Member over the past seven years. Wayne has been instrumental in many areas that sees the EDFL where it is today, including improved club finances, growth in individuals, teams and clubs and the relocation to Windy Hill. Wayne has a very simplistic view in that the EDFL rules should always be enforced. I have known Wayne for over 40 years and have appreciated his ongoing support and advice whilst we have served together on the EDFL Board.

## Club Achievements

Whilst there are many facets to the EDFL, we can never lose sight of the fact that we are a football competition and it is all about the clubs. You, the clubs, are working harder and smarter to establish yourselves in the crowded community sport market. If we simply measured success by premierships, then we would only have three winners each year. However, success is more than just premierships.

I'd like to celebrate and acknowledge the achievements of an emerging Burnside Heights, East Sunbury rebounding from replacing a coach mid-season, Keilor Park fielding teams in all junior age groups, Tullama-

rine fielding teams in all junior age groups, Hume Bombers and Ascot Vale establishing new clubs, Essendon Doutta Stars' great escape, Roxburgh Park's inaugural success, the fact that all clubs are financial and the evenness of all three men's divisions.

## Looking Back

With 2018 being my last serving the EDFL, I look back with many fond memories. I truly believe in the EDFL and that it is in better shape than ever and it will continue to evolve. That is not to say there will not be challenges, however we are more than capable of exceeding those challenges. I have met many wonderful people along the way, people that are as proud and as passionate as I am. To all the club presidents over the past 19 years, I commend and admire the time and effort you have contributed. Your role in representing your club and the greater football community can never be underestimated and you should all be proud of your contributions.

Nineteen years has passed extremely quickly. It only seems like yesterday that I sat with Ian Price, Arthur Crofts, David McWilliam, Barry McNaughton, Ross Wall and John Brogan in 2000 to commence my Board career.

To Ian Price, Reg Rose, David McWilliam, Arthur Crofts, Wayne Anthony, Glenn Clements, Peter Brown and John Elliott, thank you for your support, advice and friendship.

It is that strength of stability and passion that has the EDFL in the position it is today and we must never lose that autonomy over the EDFL.

To my family, Kerrie, Kelly and Jess, thank you. If it was not for your support, the past 19 years would not have been possible. Thank you and good luck to all for the future.

# Chief Executive Report

**S**EASON 2018 delivered another year of very strong growth, on the back of a fantastic 2017. On being appointed as Chief Executive Officer in February this year I said that I was honoured to be given this opportunity and my first season reinforced that belief. There were many on-field highlights across both junior and senior football, in female and male competitions. The EDFL has a broad array of important stakeholders with varying levels and areas of involvement. Over the course of this first year, I have thoroughly enjoyed meeting and learning from a vast number of passionate supporters of EDFL football. A challenge and opportunity for our league is to ensure we continually consult with these people for the benefit of our competitions.

## League Growth

Team numbers surged to 421 teams competing in the EDFL. This is an increase of 44 teams from 2017, or roughly 1000 more participants playing football than we had last year. In 2017 there were 45 new teams which consolidates to 89 additional teams in two years. Such significant growth has created operational challenges at both club and league levels as we attempt to find volunteers, suitable grounds, available days and times, and appropriate change rooms and amenities. However, it is much preferable to be dealing with growth-related issues than declining participation and clubs which is occurring in some sports and geographies. This year saw the inaugural EDFL Women's senior competition, our first year as a stand-alone. We had 14 clubs form 13 teams (Avondale Heights and Taylors Lakes formed a joint team) and despite some teething problems which you get with a first season, it was a great success. Congratulations to the Pascoe Vale Football Club who went through the season undefeated and won the historic first premiership. Total female football teams grew by 85.4 per cent and remarkably represented 18.1 per cent of total EDFL teams this year. Thank you to all the coaches, volunteers, supporters and administrators who have allowed a large number of females enjoy playing our great game. All indications are for strong growth again in the number of female teams for 2019.

## Diversity & Inclusion

A major highlight from the year was the launch of a new EDFL football club, the Hume Bombers. Evolving from an Auskick clinic, the Hume Bombers played their first official EDFL matches this year with teams in the Under 9 and Under 13 competitions. This new club reflects the increasing diversity of the EDFL competition with a very strong representation from the local Indian community. It was fantastic to witness the excitement and enjoyment of players, volunteers and parents as many of these children played competition

Australian Rules football for the first time. We look forward to continuing to work with the Hume Bombers and watching their club grow. A special thanks for the support of AFL Victoria and the Essendon Football Club with the Hume Bombers and in particular AFL Victoria Football Development Manager - North West, Mark Morgan, for his significant involvement with the club.

It was encouraging to note that 26 different clubs provided junior EDFL competition best-and-fairest award winners, and 24 clubs won EDFL premierships in 2018. This reflects the quality of people involved with our clubs, and the benefits of running divisional-based competitions across senior and junior football.

## EDFL Partners

The contribution of the Strathmore Community Bank to the EDFL cannot be overstated and certainly is not taken for granted. In 2018 the Strathmore Community Bank were the major partner of the EDFL, which includes being naming rights sponsor of the senior Premier Division and Division 2 competitions. They also sponsored 19 EDFL clubs who fielded 274 teams, which means that over 5000 players benefited from their contribution. The Strathmore Community Bank also sponsored the EDFL Umpires Association.

The amazing support of the Strathmore Community Bank also benefits the wider community. We enjoy the support and friendship of chairman Peter Brown and all the directors and bank staff.

We must also acknowledge the support from Essendon Ford as the naming rights sponsor of the senior men's Division 1 competition, AGA Apprenticeships Plus as the naming rights sponsor of the EDFL's Under 19.5 competitions and Big Childcare as the naming rights sponsor of the EDFL's junior boys' competitions.

Thanks to our suite of other sponsors which includes Ageless Herbs, Ascot Vale Leisure Centre, Ascot Vale Sports & Trophies, Brad Teal Real Estate, Coburg Physio, Club Warehouse, East Keilor Leisure Centre, Elastoplast, Essendon Football Club, Frudeli Café, Game Day Apparel, Glenroy Bakery, Grashan Sportswear, Hypoxi Moonee Ponds, Personal Graffiti, R4M Rawform, Red Onion Creative, SEDA, Sherrin, Sign XL, Sportsmoves, The Meadows, The Valley and Windy Hill Fitness Centre. We are extremely appreciative of your support.

## Appreciation

For giving me this opportunity and for their support and guidance, I thank the EDFL Board of Management and the EDFL and AFL Victoria staff members: Shannon Colgan, Pauline Leslie, Greta May, Mark Morgan, Adem Saricaoglu, Rowan Sawers, and Ken Waters.

Special thanks to EDFL Chair Brett Scott and fellow Board Member Wayne Anthony, who have decided not to stand for re-election when they retire at the end of 2018. Both

have made massive contributions to the EDFL and I am sure will continue to be seen around the league. Personally, they gave me the opportunity as the Chief Executive Officer of the league, have been incredibly supportive and provided excellent counsel throughout my first year.

During the year we welcomed Shane Abdilla as AFL Victoria Football Development Manager - Melbourne Central, Taylah Morris as Football Operations Officer and Chantelle Raniolo as Senior Administration Assistant. All three have made great contributions through their work and as members of our team.

I would like to acknowledge the support of AFL Victoria staff, in particular CEO, Steven Reaper, West/North West Projects Manager, Mick Daniher and Club Sustainability & Affiliates Manager, Darryl Collings. Other important stakeholders who have assisted the EDFL this year include the Brimbank, Hume, Melton, Moonee Valley, and Moreland Councils, the EDFL Umpires Association, our tribunal and appeals board members, the Essendon Football and Cricket Clubs and the two TAC Cup clubs in our region, Calder Cannons and Western Jets.

## Financial

The EDFL continues to deliver strong financial results and has established a very solid financial position. I am pleased to report an operating surplus of \$130,410 for the 2017/18 financial year. This high profit result was driven by growth in income of 8.0 per cent to \$2.55 million, combined with controlling expense increases to 3.3 per cent, despite growth in teams and income. These financial reports will allow the EDFL to make targeted investments if needed.

Thanks all for your contributions to a fantastic 2018.

**Craig Armstead**  
Chief Executive Officer

# Football Operations Report

**S**EASON 2018 was full of highlights and milestones for the EDFL across all levels of competition.

## Sunday Football - Junior & Youth

In 2018, we welcomed the Hume Bombers to EDFL junior football ranks with the junior competition expanding to include 313 teams across 32 clubs. Over 2400 games were played within the 14-round home-and-away season and finals series. Twenty-seven clubs had teams feature in the finals series and 24 clubs played host to the matches. Windy Hill, Coburg City Oval, Sewell Reserve, Lionheart Reserve, Keilor Recreation Reserve, and Highgate Reserve hosted grand finals across two weeks of competition. Congratulations to all clubs for your efforts throughout the season. The 2018 AFL Victoria Junior Metropolitan Championships saw the EDFL Under 15 and Under 14 teams promoted to Division 1 and they displayed their talent against tough opposition. The development of the Under 15 Girls Interleague side was a shining example of the strength of the junior girls' competitions in Season 2018, going undefeated after three games in Division 2. What was most impressive was the team-play of a side featuring players from 11 different clubs. To Ron Sikora, Troy Newton, Luke Williams, Roy Fishenden, John Singarella and Lindon Way and your staff; thank you for your passion for junior development. We are grateful for your dedication to the program and contribution to the development of the young players who will become the future of the EDFL. Thank you to all team managers, runners, trainers, water carriers and parents for your support of the program. To Taylors Lakes, Avondale Heights, Burnside Heights, Tullamarine, Jacana and Pascoe Vale, thank you for your support in opening your facilities to us, for the programs to be conducted and positive match-day experiences created. Thank you to Essendon Football Club for the access to the grounds and auditorium at the True Value Solar Centre, allowing us the space to host all programs concurrently and your continued support of junior football. The jumper presentations were a highlight of the Interleague program, with all participants, coaching groups and families coming together to celebrate. Thank you to the Calder Cannons for hosting, assisting with logistics on the night and your overall contribution to the success of the program, and to the Western Jets, we are proud to provide a pathway, where players and coaches alike can continue to grow in confidence and skill.

## Junior Girls & Senior Women

Under 9, Under 11 and Under 13 junior girls' competitions were held for the first time, adding to the pre-existing Under 15 and Under 18 age groups with 63 teams from 24 different clubs participating in Season 2018. The EDFL conducted its inaugural standalone EDFL Women's senior competition and

following on from the success of 2017, six new teams were introduced, creating a 13-team competition. A top eight finals structure was implemented and many close games resulted, with each team celebrating at least one win for the season and was capped off with the grand final hosted at Windy Hill. We welcomed the Sunbury Kangaroos to EDFL football with Bailee Said leading the way and taking home the EDFL Women's Best & Fairest Medal by one vote. Congratulations to all clubs, players, volunteers and supporters. We look forward to having you back for Season 2019.

## Saturday Football - Under 19.5 & Open Age

The Senior Thirds grand final was held on Friday, August 17 at Keilor. Division 1 finals kicked off on the last weekend of August with games played at Greenvale and Windy Hill. Week 2 saw games played across Keilor, Coburg City Oval and Windy Hill. All Premier Division finals were played at Windy Hill. The Division 1 grand finals were the first to be played with five teams playing off for the title of premier and Airport West gaining promotion into Premier Division in Season 2019. The following weekend saw Division 2 grand finals played on Saturday, with two first-time grand finalists vying off in the senior match and Premier Division grand finals on the Sunday with five teams playing off across three matches. Roxburgh Park won the right to be promoted to Division 1 on the Saturday, before Aberfeldie won back-to-back senior flags on Sunday. All volunteers, supporters, coaches and playing groups should be commended for their efforts throughout the season. Thank you to all clubs who hosted senior finals in 2019, we recognise how much time and commitment it takes for venues to operate and how many hands are needed on deck to make the days a success. To our gate management group led by Sue and Phil Aston and Fiona at Windy Hill who play an integral role in facilitating finals matches, thank you for your continued assistance.

## Reflection

In April we welcomed Taylah Morris to the Football Operations team and she quickly established herself in the new environment. Thank you Taylah, the team was stronger for having you in it and your contribution to the Interleague Program, fixturing, finals, EDFL Awards Night and all things in between. I must also extend thanks to Dave McWilliam for your efforts as tribunal secretary and finals match manager in Season 2018. Without your help, Monday mornings, Tuesday nights and finals weekends would not have run as smoothly. Thank you to Craig Armstead for his guidance, Adem Saricaoglu for his help with *Club Hub* as we seek to communicate with clubs effectively and Pauline Leslie, Greta May, Chantelle Raniolo for their active discussion and support throughout the season.

Thank you to the EDFL Umpiring duo Rowan Sawers and Ken Waters for your assistance in facilitating all junior and senior competitions throughout the season, as well as all field, goal and boundary umpires, coaches, advisors and support staff. Your efforts are very much appreciated.

I want to acknowledge all tribunal and appeals members, investigation officers, vilification officer and tribunal advocates. It takes a team effort to ensure the safety and enjoyment of all participants within the league and we understand it can be a thankless job. We appreciate the time you put in and effort taken to review each case.

The number of passionate club people, who dedicate time and effort to help run each and every club in our competition never ceases to amaze. We recognise all volunteers who took the time to support their club and put their hands up to take on match-day roles, as well as all club committees. Matches may be played Friday through to Sunday, but it is the time spent every other day to build their clubs, create positive culture and get all competitions from Under 9s to seniors on the field, they must also be credited for.

With Season 2019 just around the corner, we welcome all new committee members aboard as well as those returning and look forward to working with all key stakeholders to conduct a competition, for all to be a part of and enjoy. We look forward to welcoming Keilor Park back into senior football ranks, the introduction of Sunbury Kangaroos to senior football and the expansion of the senior women's competition. Some key dates to mark down will be Good Friday, ANZAC Day, MND Round and NAIDOC Round and with a number of lighting projects currently underway, Friday night and Saturday twilight matches appear likely to become a regular part of the fixture.

Football Operations Manager (Acting)

# Media Report

LOOKING back on 2018, I want to acknowledge the wonderful work being done in club-land. Personally, my biggest highlight for 2018 was not that we had Dane Swan participating in our competition, it was that the Westmeadows Football Club was so accommodating in helping us cover his high-profile return to the club. From a content perspective, Swan's return to the Tigers was the biggest story I've had to cover in my time involved with the league. The access both Westmeadows and Swan himself afforded us in the lead-up to and during his two-game stint was first-class. To Gareth Hanlon, Jeff Tenant and all at Westmeadows, congratulations on the way you delivered Dane's 'homecoming' and thank you for leaving no stone unturned in helping EDFL Media cover the occasion.

The 'Dane Swan experience' had a wonderful flow-on effect across the entire league, in that it not only generated incredible momentum in the early rounds of the season, but also encouraged EDFL Media to engage with all clubs on a whole new level. This year more than ever, the access our clubs provided us to their players and coaches was exemplary. Whether it was for *essendondbl.com.au*, *EDFL Match of the Day*, the *EDFL Tonight Podcast* or *EDFL Footy 2018*, every single club in the league opened its doors to us at some point during the season and for that, my team and I are very thankful. Long may it continue.

## Web Content & Social Media

In mid-2017 we introduced a new-look *essendondbl.com.au*, meaning 2018 was our first full season utilising our new site. In-season (April to September), *essendondbl.com.au* generated more than seven million hits, non-inclusive of fixtures, results and ladders pages. That is a tremendous result for our league. Our traffic spiked each Friday and Saturday, with *EDFL Teams* and our *Live Gameday Hub* easily proving to be our most popular weekly items. Again, it is thanks to the hard work and ongoing support of clubs that we were able to generate that much web traffic in 2018. These spikes are clear evidence that both *EDFL Teams* and live scoring for senior men's football are incredibly important elements in growing the EDFL's audience and reach.

A concerted effort was made to increase our volume of written content in 2018. *EDFL Headlines* was a new innovation and proved to be a hit on both *essendondbl.com.au* and social media. *Star Weekly* journalist Tara Murray came on-board to write our weekly Division 1 preview article, while Liam McAlion returned to the fold as a match reporter. I'd also like to thank Julia Montesano, who not only continued in her role as the EDFL's feature writer, but also doubled up as the league's official EDFL Women's reporter. On Facebook, the EDFL broke through the 10,000-likes barrier in August and enjoyed an overall 11 per cent increase in followers from

Season 2017. The major highlight of Season 2018 was our Facebook Live video stream of a Friday night game between Jacana and Westmeadows in April. Despite the Tigers scoring an easy win, the coverage generated more than 9000 views either live on the night or on replay in the days following. Growth was a little slower on Twitter and Instagram, but the EDFL does now boast a following of more than 4000 people on each platform. It is important we remain smart with our social media output and continue to look to innovate in the future.

## EDFL Live App

The EDFL Live App on Team App continues to play a major role in both weekly and match-day coverage of the league. The app drives a significant portion of the EDFL's web traffic each weekend and there are now well over 3000 people connected to the league via the EDFL Live App. There have been some exciting developments in this space and we're very much looking forward to what the future may hold for the EDFL Live App in 2019 and beyond.

## Radio Coverage

While much of the EDFL's overall media coverage has evolved greatly in recent years, *EDFL Match of the Day* has remained one of our key staple products. My fellow play-by-play callers Travis Poznachowski and Michael Pepicelli were both outstanding yet again, while the new additions of Kaine Hocking and Tim Solly each provided terrific insights in special comments alongside the returning Adam Russell. It was also refreshing to have a current senior player as part of our rotation, so we thank Keilor's Ben McManus for his efforts in special comments and on the boundary line when playing commitments permitted.

I am particularly proud about the fact that in 2018, all 26 senior men's teams were covered. It was the first time since I've joined the league that we were able to cover every club within a single season. We also covered three EDFL Women's games and the Under 17 Division 1 Grand Final between Strathmore and Aberfeldie, all of which were well-received. To all at 98.9 North West FM and in particular, panel operator John Dosen, thank you for your ongoing support of the EDFL. Our partnership grows stronger year on year.

## Podcasting

The tough decision to remove *EDFL Tonight* from the North West FM airwaves ultimately proved beneficial, with the *EDFL Tonight Podcast* enjoying its best year yet. Season 3 of the show was the first in podcast-only format and featured 'the three Adams' (myself, Adam Papal and Adam Russell) as the primary hosts. Original co-host Adrian Jamieson served as a part-time guest panellist, as did Julia Montesano and Kaine Hocking. This year we looked to increase the video presence of

the show across the EDFL's entire network of media platforms and the end result was a 19.7 per cent increase in average audience per episode for the entire 28-show run.

## Video Content

Back in December 2017, both Julia Montesano and I were proud to receive the 'Best Use of Online Media: TV Show' award for *EDFL 2017* at the AFL Victoria Community Media Awards. Off the back of that success, we continued with our online video show, this year branding it as *EDFL Footy 2018*. We produced 27 episodes of *EDFL Footy 2018*, which included both games highlights and interview content, similar to that of the 2017 offering. Thank you again to Julia, who hosted the show with aplomb in 2018. The show generated more than 76,000 total views across Facebook and YouTube.

## Photography

Jamie Morey's outstanding match-day and promotional photography is used prominently across all EDFL media platforms and products. We thank Jamie for the many hours of dedication he puts into his craft.

## Other Acknowledgments

To everyone at Red Onion Creative, the support you provide in helping us produce our weekly record, *The Footballer*, is second-to-none. Thank you for another great year. To Andrew McLeish and his team at Sports-Cast Australia, we thank you for continuing to help us increase our footprint in match filming and streaming. This year, every Premier Division game was filmed for the first time in league history. Finally, to the EDFL Board and my fellow EDFL colleagues, your support of EDFL Media was better than ever in 2018. I'm both blessed and proud to be working alongside all of you.

Media Manager

# Umpiring Report

**B**EFORE reflecting on the season, I want to sincerely thank Brett Scott for his unconditional support of umpiring. Brett's willingness to actively engage with our umpiring team throughout my time has seen a real bond form on many levels with our umpires. I personally want to thank him for the opportunity to be involved in the best community football league in the state. The EDFL umpiring team wish Brett all the best for the future.

## Season 2018

I have been very fortunate to witness the EDFL umpiring group grow and develop into one of the leading community umpiring groups within the state. I am very proud of the efforts of every umpire and coach in the manner they represent the EDFL and umpiring.

It is my belief that our programs have provided the EDFL competition with a very competent group of umpires who have represented themselves in a very professional manner. This year many of our junior umpires made sensational progress beyond expectation and now find themselves in the depths of senior umpiring. Our senior coaches in Doug Drinkwater, Don Cooke and Steve Martin play a vital role in the development of these umpires at training and on a Saturday through observations and constructive feedback. A lot of the credit must go to Brett Pallini, our Head Junior Coach and his team for the way they train, nurture and take an active educational role with our juniors in preparing them for the transition into senior football.

## EDFL Junior Field Umpiring

Our junior program is a significant operation each week and takes many people to commit their time and energy. The program offers many opportunities for not only umpiring but also personal development. Brett Pallini needs to be congratulated in the manner he leads his team.

Approximately 250 junior field umpires registered this season, with 90 first-years joining the program. Seventy-seven of those umpired at least one game of footy, which is a testament to our first-year coaches. We averaged 130 games of junior football each weekend and we were able to cover every game this season with an umpire. We saw the introduction of extra boys grades and more girls in the competition on Sundays, increasing our appointments to an average of 260 each weekend, totalling approximately 4,300 across the season, including finals.

Well done to Hayden Green, Grace Chatto, Heath Beveridge and Ben Keane who represented us in the AFL Auskick program – what a great experience umpiring on the MCG and Etihad Stadium.

Through our talent selection pathway, we saw many of our group embark on senior football umpiring careers, putting in place the skills

learned through the junior program. There were over 12 umpires who moved from the junior program to seniors. Thanks to our dedicated junior coaching team and mentors for their commitment in supporting our umpires.

## Academy Coaches

I'd like to extend my appreciation to Mark Volich (AIA College), James Downing (Moreland), Bridget Howard & Molly Jennings (St Bernards), Steve Marrari (Craigieburn), Troy McCarthy & Gavin Dovey (Jacana), Daniel Wardley (Sunbury) and Keith Ogston (Delahey) for their efforts in 2018.

## Coaches at Windy Hill

We had a fantastic group of experienced coaches who selflessly gave up their time every weekend, including Kelvin French, James Downing, Jordyn Pearson, Michael Knight, Gavin Dovey, Don Cooke and Mark Volich. Also, a special thanks to Hayley Pallini for her long hours put in behind the scenes in the administration of our juniors.

## Junior Awards

The EDFL Junior Program is vital for our long-term growth of umpiring in the EDFL. I need to acknowledge our EDFL clubs and the junior co-ordinators who have assisted in the recruitment and support of our junior umpires this year.

President's Award: Liam Dye, Coaches Awards: Leon Di Natale, Most Improved: Harrison Gibbs & Ryan Iskra, Best First Year Umpire: Zachary Freeman, Ian Coates Award: Lachlan Coyne.

## Awards

Brett Pallini was awarded EDFL Umpire of the Year. He had an outstanding season on and off the field and exemplified the qualities and commitment required to win this prestigious award.

Lachlan Coyne capped off an outstanding year by being named the Best Junior Umpire and receiving the Ian Coates Award. He was also awarded the Golden Whistle as 'The Most Promising Umpire in the EDFL'. In November, Don Cooke was named AFL Victoria Community Coach of the Year and was presented with the 'Greg Sidebottom Memorial Umpire Coach of the Year' award. The program helped our junior umpires transition seamlessly into senior football and it will continue to benefit the EDFL greatly for years to come. It's a very well-deserved award for Don for the countless hours he's contributed to umpiring over many decades.

## Special Acknowledgements

Senior presentation night saw a special award presented to Jim Ainsworth for 60 years' service to umpiring. Don Cooke and Dennis Maloney were also acknowledged for 50 years' service. This shows significant dedication and commitment.

## Thanks

A special thanks the Cities of Hume, Moreland, Moonee Valley and Brimbank Councils, AFL, AFLVIC, Victorian Police, Jim Stynes Foundation, Ageless Herbals and most importantly, our EDFL clubs. Without the assistance of all these bodies, we would not be able to operate effectively.

Since 1991, Ken Waters has been a part of EDFL Umpiring and next year we will see him move into Football Operations, which is a great loss. Ken's knowledge and ability to get the job done effectively will be missed by umpiring but not lost to the EDFL. I want to thank him for always going the extra yard to ensure everything ran smoothly in the Umpiring Department.

To our field umpire coaches Don Cooke, Steve Martin, Doug Drinkwater, goal umpire coaches Tom Ennis, John Bladen and Leigh Keen and boundary coaches Stacey Cartwright-Smith and Anthony Laughton, thanks for the countless hours you all commit to umpires in the EDFL. This is a thankless task but your effort and dedication to developing our umpiring team does not go unnoticed. Thanks to Anton Mahony and David Peers of the EDFLUA for their tireless work which provides a positive social environment and support mechanism for our umpires.

I wish to acknowledge and thank the hard working committed team at EDFL House. Craig Armstead's leadership and supportive approach has allowed umpiring to flourish. In Season 2019 there will be many challenges in recruiting and retaining umpires as in previous years. With the assistance of clubs and the manner in which they have supported umpiring on and off the field, I am hoping our retention rate will be higher than previous years.

# Female Football Report

**W**HAT an exciting year it has been in female football for the EDFL with the inaugural and history-making EDFL Women's senior competition and the significant growth in junior girls participating, along with the increase in teams entering the league in 2018. The number of females participating in the EDFL has increased by more than 60 per cent which is outstanding and testament to the interest and desire of girls wanting to play football. In 2017, 1212 females were playing football, where 990 of these were junior girls and the remainder were senior women. The 2018 season saw growth across both sections, with a total of 1951 females playing football in the EDFL, where 1512 were junior girls and the remaining 439 senior women.

## Junior Development & Pathways

The EDFL junior competition continued its amazing growth, increasing by more than 100 per cent. In the 2017 season there were 28 teams registered with the EDFL compared to 63 teams in the 2018 season. Most age groups this season had two divisions with the exception of Under 15 Girls, who had three divisions. It is a great time for female football. The junior girl's competition demonstrated an increase of the skill level throughout all age groups and divisions. The girls' passion for the game is extraordinary and all of our clubs should be proud of their efforts and commitment. The clubs' support and encouragement of these young girls was a major contributing factor and they were welcomed and made to feel part of the club. If this was not the attitude, we would not be seeing the

success and passion that we are.

The girls now are aspiring to follow in the same footsteps as the boys have for many years, progressing from Auskick to under-age junior football, then representing the EDFL at Interleague level, which was a fantastic display of skill and teamwork and the girls won all three games convincingly, to the development programs (AFL Under 18 Girls Competition) and the VFLW. These platforms mean the dream of playing AFLW is within their grasp.

## Senior Football

The inaugural season of EDFL Women's saw the establishment of seven new teams, which was a fantastic effort. They were required to play against established teams who played previously in the WRFL & EDFL combined competition in 2017. New teams such as Aberfeldie, Westmeadows and Strathmore played finals in their first year. That kind of effort and efficiency should be applauded. Although the weather wasn't kind to the junior girls and senior women on their grand final day, the skills were still at a very good level. The rain may have been pelting down and I am sure at times throughout the day there was snow, but the girls and women pushed on regardless. Games were of a high standard, they were good to watch, and they demonstrated the vast improvement in female football in the last 12 months.

## Other Acknowledgments

The season couldn't have been as successful as it was without the tremendous support of the clubs and the EDFL supporting female

football. The EDFL media department gave female football significant coverage, and the umpiring staff and the EDFL football operations staff managed where possible to fixture the women's games so they could share the spotlight and also play night games occasionally.

Season 2019 looks even more interesting as the teams and clubs become more established, the skills continue to improve, and even more girls start to play football.

# AFL Victoria Development Report

THE 2018 season has again been a success, with innovation, development and progression thriving in the North West Region of Victoria. Whilst not without change, Gavin Mahony has moved into a new role with Leading Teams after his 18-month term with AFL Victoria. We thank Gavin for all his efforts in his tenure in the role and look forward to working alongside him in future coaching and management opportunities. Shane Abdilla replaced Gavin as the new Football Development Manager for the Melbourne Central Region in late January, 2018 and brought with him a wealth of experience from his time at the Calder Cannons. We look forward to Shane's contribution and enthusiasm moving into Season 2019.

## Schools

This year has seen us again put a heavy focus on ensuring that our game has a very strong presence in as many local Schools as possible. Our relationship with Schools has continued to improve, and ultimately allowed us to run Programs throughout the Region involving interactions with over 20,000 students. The flagship of this suite of offers to Schools remains the Australian Sports Commission's 'Sporting Schools Program', but also includes Auskick Assembly Promotions, Footy Frenzy Days, AFL 9's, and One-off Clinics, AFL player appearances and Multicultural School Programs. In addition, this year we were able to change our Primary School Challenge, with age groups shifted to apply to Grade 3 and 4 children. Highlights of the carnivals included the representation of 12 schools across two regions and 200 participants across a mixed and female competition. With the state final now not in operation, the decision was made

not to score in these round robins, allowing kids of all abilities to participate in a fun football environment.

## Multicultural Engagement

The North West Region of Melbourne had a huge breakthrough in the multicultural space in 2018, with the introduction of the Hume Bombers into the EDFL. The Bombers were able to field two junior teams in their inaugural year, learning a lot from their experiences and will no doubt make big inroads into 2019. Congratulations and well done to those involved!

The Essendon Football Club were brilliant in 2018, with their engagement and access to their NGA programs and assistance with our Multicultural School programs. The next step for us in the region will be to provide access and opportunity to coaches of multicultural backgrounds to get involved in our great game.

## Club Development

Following on from the District Scheme Forums held in 2017, 2018 saw the introduction of the EDFL/WRFL Development Seminar held at Victoria University. The development seminar was a huge success with 15 sessions being held and 70 volunteers attending on the day.

## Coaching

Coaches play the most critical role in the experience many of us have, and clubs that are proactive in establishing positive environments are having success in the recruitment and retention of players, setting themselves up for sustained success.

This year we had consistent numbers at our

Foundation courses and great participation with the Essendon Masterclasses, considering the implementation of online accreditation and re-accreditation. *Coach.AFL* is the new online database that ensures all accredited coaches have access to drills and modules to assist with their upskilling and development at any time. The new system also ensures that coaches can easily accredit and re-accredit without attending mandatory face-to-face sessions, allowing easier accessibility to get involved and numerous extra opportunities provided by us to learn more if time permits. On the back of the 'Better Coach' Project trialled in 2017, 2019 will see the start of the Calder Coaching Academy and yet another push for clubs to have coaching coordinators. Planning has been underway for some time regarding the Calder Coaching Academy, which aims to offer a product to coaches that aspire to take their passion to the next level. Opportunities will be limited, with sessions planned to include the Essendon Football Club across several of their coaching groups, Coburg VFL and the Calder Cannons. The Coaching Coordinator position has continued to have a lower than encouraged uptake by EDFL clubs, which we again depict the importance in coach development and player retention that comes as a benefit to this role being filled. In summary, the Coaching Coordinator position establishes the learning and development environment for both the coaches and players while providing a consistency in coaching throughout the whole club.

## Auskick

This year saw a new-look Auskick program, with Auskick 2.0 being rolled out in Metropolitan Melbourne. The AFL completely revamped Auskick on the back of extensive research and a large amount of investment, changing the curriculum and the look of the program. The AFL also invested heavily in Auskick Champions, which took over from District Managers and were responsible for going around to their cluster of allocated centres and assisting them to teach the parents and the children the new games and activities. Whilst the change in the Auskick 2.0 program was big focus for 2018, we were still able to increase participants across the North West and successfully implement the new curriculum across our 35 centres.

## Appreciation

Congratulations to everyone for the year and thank you for your support. We hope it was one filled with great memories and has left you with a strong appetite to remain involved in 2019. We hope you enjoy your summer and enjoy the well-earned break.

# Grand Final Report

**A**BERFELDIE won its third premiership in four years in emphatic style.

With eight consecutive goals through the second and third quarters, Abers got on a roll and never looked back, winning by 61 points.

It was Aberfeldie's first ever back-to-back premiership win.

Dominating in the clearances all day and showing real poise, Luke Blackwell claimed his second Reg Rose Medal in impressive fashion.

Keilor's Damien Cavka started off brilliantly with a goal in the first 70 seconds and the Blues seemed to have control of both ends of the ground early, with Brad Xavier providing some big intercept marks.

After a relatively even first quarter and with Keilor kicking the first two goals of the second, it seemed they were starting to take control.

Aberfeldie, though, seemed to flick a switch, and with the use of leg speed and its ability to win one-on-one contests, its second and third quarters set up its historic win.

In this period, Blackwell stepped up and showed why he is one of the EDFL's great players, bursting out of

clearances time and time again.

His high disposal efficiency was exciting to watch.

Jean-Luc Velissaris seemed to be a part of many of Aberfeldie's scoring chains and finished with three goals for the day.

Blues skipper Kane Barbuto stepped up at times in midfield with some dashing runs along the wing, but he didn't have enough help around him.

Keilor's poor forward entries combined with Aberfeldie's immense tackling pressure didn't allow the Blues to get a flow up forward.

James Peters was a beneficiary of Aberfeldie's dominance, as he was able to lay some big chase-down tackles and snag a goal from the boundary line, sending 'The Hill' into a frenzy.

By half time Aberfeldie had established a handy 41-point lead.

It didn't take long for the reigning premier to extend that lead in the third, with Josh Cubillo and Zach Hislop hitting the scoreboard.

Andrew Browne got one back, however, the Blues wasted several other chances and couldn't get back into the game in the third quarter.

Aberfeldie's back six held down some

of the best forwards of the division, and play-maker Jacob Craven was the catalyst.

Craven seemed to be everywhere inside defensive 50 with intercept marks and quick hands out of danger. He set the tone for his side.

Through his side's ability to generate forward pressure acts, pace out of midfield and perfect structure, Aberfeldie coach Adam Potter couldn't have asked for much more from his men. Potter is now a three-time premiership coach with Aberfeldie since joining the club in 2015, surpassing fellow modern EDFL coaching greats, Brodie Holland, Anthony Rock and Mick McGuane.

# Grand Final Report

**A**IRPORT West won the Essendon Ford Division One flag with a thrilling 16.11-107 to 13.16-94 win over Tullamarine. Eagle, Bior Malual was awarded the David McWilliam Medal after kicking the sealer and generating great run-and-carry all game. After a 46-point margin in Airport West's favour at half time, Tullamarine turned the game on its head when it sparked the most unbelievable comeback we saw this year. Anthony Prestia booted three of his team's nine third-quarter goals, one of which gave the Demons the lead for the first time during the game.

But the Eagles held their composure in the last term, finishing off their blistering start with the most fulfilling end.

Airport West got off to a quick start to the game with Ned Gentile and Jesse McVeigh booting two first-quarter majors.

Jack Kennedy and Chris Pereira-Oliva scored goals for the Demons but quick majors from Matthew Bullock and Brendan Godden late gave the Eagles an early 22-point lead at the first break.

Lachlan Di Sebastiano and Koolyn Briggs were promising early for Airport West in the fast-tempo game.

The tempo continued in the second quarter with the Eagles continuing to play run-and-carry football.

This gave the opportunity for Godden and McVeigh to continue their good days inside 50, with Godden kicking his second and McVeigh kicking his third for the game.

Evan Penaluna, Joel Brown, Luke Ryan and Ned Gentile piled on the goals afterwards to give the Eagles a 46-point lead at half time - a margin which was reduced by Will Becker, courtesy of a kick after the siren.

In the third quarter, Tullamarine beat Airport West at its own game with fast-paced football and scintillating running inside 50.

Steven Rizzo kicked off proceedings in the third term with a brilliant set shot from just inside 50.

But after this, it was Tullamarine who took full control, beating the Eagles at their own game in the third term.

It all started off the boot of Jack Kennedy, who ran into an open goal from close range after reading the ball off the back of the pack.

He kicked one later in the term, taking his tally to three goals for the day.

Russell Laurie then continued the comeback for the Demons with a huge goal from outside 50 in his last game of football in Tullamarine colours.

A deafening roar then took over Windy Hill when Kane Mulvaney snapped an absolute beauty from the boundary line in a remarkable goal that well and truly got the Demons back into the game.

Star forward, Anthony Prestia then got into the game with two consecutive goals to bring the Demons to within 13 points of the Eagles.

After a Jack Burns goal, the Demons found themselves level with the Eagles, and were on the brink of taking the lead for the first time

in the game.

Then just when you thought the siren was going to go, Prestia again bobbed up inside 50 for his third major, giving Tullamarine its first lead for the game at a very good time, leading at three-quarter time.

Godden got the much-needed breakthrough for the Eagles in the fourth term, kicking their first goal since the five-minute mark of the third.

Dean Simmons had a chance to respond for Tullamarine but then missed a crucial set shot at goal, hitting the post from outside the goal square.

Malual made him pay at the other end, kicking the sealer for Airport West to take his side back up to Strathmore Community Bank Premier Division.

# Grand Final Report

**R**OXBURGH Park is finally the king of Strathmore Community Bank Division Two.

In what was a thrilling and hard-fought contest at a windswept Windy Hill, Magpies forward Osama Saad slotted the only goal of an intense final term.

It was enough to outlast a gallant East Sunbury side that battled manfully to the end. With both wind and rain restricting each side's flow, goals came at a premium. There were only 11 majors kicked for the entire day, but from time-on in the second term, the margin stayed within 10 points through to the final siren.

It was a ferocious game of football.

Roxburgh Park had first use of the scoring end and kicked the only two goals of the opening term.

It wasn't until the 18-minute mark of the second before the Thunder finally got on the board through star playmaker, Kamen Ogilvie, who finished the quarter with two of East Sunbury's three goals for the entire first half.

The Thunder went into the main break up by just two points and when the returning Jamerson Campbell slammed through a goal at the four-minute mark of the third quarter, all momentum belonged to East Sunbury.

Campbell's goal was the Thunder's fourth

in a row.

Playing coach Michael Farrelly and captain Harley Short kept their side in touch through true grit and their hard work eventually paid off on the scoreboard with back-to-back Magpies goals in the middle of the third quarter.

Tom Cree then kicked a steadier for the Thunder, setting up a grandstand finish.

The final term was a desperate arm wrestle. The game looked to have opened up in the third but as fatigue began to set in, the wet ball was hard to handle.

Saad began to wield his imposing influence around the ground and was able to take advantage when it mattered.

At the 10-minute mark of the final term, he was awarded a free kick deep in the forward pocket in front of a packed and vocal Reynolds Stand.

Ever the showman, 33-year-old casually slotted the goal – his second of the game – to put the Magpies five points in front.

Roxburgh Park then scored a behind, bringing the margin to one straight kick.

Despite the desperate efforts of Cree, Ogilvie and Jorden Braddy, whose ruck battle with Ferras Merhi was a highlight, the Thunder struggled to find that last crucial avenue to goal as the game drew to a close.

The siren blew with the ball on East

Sunbury's half forward flank, but it was those in silver, black and white that were rejoicing.

After failing to get the job done in both 2014 and 2016, the Magpies had finally conquered the mountain.

They'll now move up to Essendon Ford Division 1 in Season 2019.

While Farrelly, Merhi, Travis Cooke and Adrian MacKinnon all starred, the official best-on-ground medal honours went to Short.

The skipper played an unbelievable grand final, not only through his normal tenacity at the contest, but with his link play through the middle of the ground in key moments.

# Grand Final Report

**P**ASCOE Vale made history at Windy Hill when it claimed a 55-point win over Burnside Heights.

A five-goal-to-none second quarter opened the floodgates for the undefeated Panthers to continue their reign, despite captain, Bridgette Aparo not playing and leading goal kicker, Siobhan Carlton failing to register a major.

Jessica George stood up in their place, winning the best-on-ground medal, which was awarded by the umpires.

The Panthers lost the toss and kicked to the Napier Street end, where goals were at a premium in a day of miserable conditions.

That didn't seem to faze them though, as they scored the opening goal, courtesy of Lisa Kirby, to take a seven-point lead into quarter time after a tight first term.

Enter Sarah Theuma.

The star forward turned the game on its head, kicking three consecutive goals in four minutes to begin the second term.

One goal in particular generated plenty of crowd noise, as Theuma threaded the needle on the boundary line for what was a marvellous goal.

The second-term goals didn't stop there though, as Lessey Hodgkinson got on the board seven minutes later.

Midfielder, Aimee Whelan also got on the

board late in the quarter, which acted as a reward for her efforts in the stoppages.

The forwards may have to thank Sarah Larkings for their dominance, as she was able to repel the ball magnificently off half-back and penetrate it forward.

This gave the Bears no chance to enter their forward 50 and consequently, they went into the main break with a 40-point deficit.

To begin the third quarter, Krissy Trang continued to dominate for Burnside Heights, often accumulating the ball on the outside and using her speed and smarts to evade opponents.

She had an enthralling battle against Rebecca Foggie, whose long kicks and strong hands allowed the Panthers to pile the pressure onto the Bears.

One Bear in particular who was feeling the pressure was captain, Kayla Ravello.

In her 50th game, she struggled to make an impact but played the team role when she needed to, often rotating through the midfield and the forward line to help her team gain some momentum.

On the Pacco side of things, EDFL Women's Team of the Year centre-half back, Emma Westgarth kicked the only goal of the quarter, allowing her side to increase its lead to 49 points at the last break.

Trang and teammate, Maria Afuhaamango

continued to try hard for their side in the last quarter, going in hard to win the ball. Sina Mason was one of the Bears' best, accumulating plenty of the ball and consistently going in hard to win it.

But Jessica George's long kicks and ability to find and create space caused headaches for the Bears, making it impossible to gain any territory during the game.

Up forward, it was Theuma who scored early in the last term to take her goal kicking tally to four for the day.

She was complemented by some good delivery from Abigail Storer, whose ball use was sublime and played a huge part in the thumping win.

Theuma's goal extended the final margin to 55 points, and saw the Panthers become the first EDFL Women's premiers.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST OCTOBER, 2018

### NOTE 1: STATEMENT OF ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012 (Vic) and the Associations Incorporation Reform Regulations 2012 (Vic). The Committee of Management has determined that the League is not a reporting entity.

The statements have been prepared in accordance with the requirements of the Associations Incorporation Reform Act 2012 (Vic) and the Associations Incorporation Reform Regulations 2012 (Vic) and the following Australian Accounting Standards and other mandatory professional reporting requirements.

AASB 101	Comprehensive Income Statement
AASB 101	Statement of Financial Position
AASB 102	Inventories
AASB 107	Statement of Cash Flows
AASB 108	Accounting Policies
AASB 110	Events after the Balance Sheet Date
AASB 116	Property, Plant & Equipment
AASB 118	Revenue
AASB 1031	Materiality

No other applicable Accounting Standards, Urgent Issues Group Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accrual basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous periods unless otherwise stated, have been adopted in the preparation of these financial statements.

#### (a) Income Tax

The League is exempt from Income Tax pursuant to section 50-45 and section 50-1 of the Income Tax Assessment Act 1997, on all income received.

#### (b) Fixed Assets

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the Association commencing from the time the asset is held ready for use.

#### (c) Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the entity and the revenue can be reliably measured.

##### *Grant Income*

Grant income received, other than for specific purposes, is brought to account over the period to which the grant relates.

# Financial Report

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST OCTOBER, 2018

### NOTE 1: STATEMENT OF ACCOUNTING POLICIES (continued)

#### *Deferred Income*

Unspent grant income received in relation to specific projects and events is not brought to account as revenue in the current year but deferred as a liability in the financial statements until spent for the purpose received.

#### *Capital Grants*

Grant income received relating to the purchase of capital items is shown as Unamortised Capital Grant and brought to account over the expected life of the asset in proportion to the related depreciation charge.

#### *Interest Income*

Interest revenue is recognised using the effective interest rate method. Interest earned from financial institutions is recognised when it is actually received from the financial institutions.

### (d) Cash and Cash Equivalents

Cash on hand and in banks and short term deposits are stated at nominal value. For the purposes of the Cash Flow Statement, cash includes cash on hand and in banks and money market instruments, readily convertible to cash within two (2) working days, net of outstanding bank overdrafts.

### (e) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the balance sheet.

### (f) Employee Entitlements

Provision is made for the League's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Provision is made for the League's liability for long service leave from the 5 year employment period normally accrued as industry practice.

### (g) Provisions

Provisions are recognised when the League has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

### NOTE 2: RELATED PARTIES

During the year ended 31 October, 2018, there were no related party transactions entered into by the League with members of the Committee.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST OCTOBER, 2018

### NOTE 3: CHANGE IN ACCOUNTING POLICY

There have been no changes made to the Accounting Policies adopted by the Committee for the financial year ended 31 October, 2018.

### NOTE 4: SUBSEQUENT EVENTS

There are no subsequent events to these accounts that the League's committee is aware of that would have a material effect on them.

### NOTE 5: FUTURE COMMITMENTS

The Committee has made a commitment to establish a new scoreboard at Windy Hill, the value of this commitment will be in the range of \$25,000 to \$68,000.

### NOTE 6: INVENTORIES

Inventories are measured at the lower of cost and net realisable value.

## STATEMENT BY MEMBERS OF THE COMMITTEE OF MANAGEMENT

The Committee of Management have determined that the League is not a reporting entity and this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Committee of Management the financial report of the League:

1. Presents a true and fair view of the financial position of the Essendon District Football League Inc. as at 31st October, 2018 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that the Essendon District Football League Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee of Management and is signed for and on behalf of the Committee of Management by:

  
.....  
**Brett Scott**

Honorary Chairman

## **INDEPENDENT AUDIT REPORT TO THE MEMBERS OF ESSENDON DISTRICT FOOTBALL LEAGUE INC**

### **Opinion**

We have audited the financial report of the Essendon District Football League Inc. (the Association), which comprises the statement of financial position as at 30 June, 2018, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and statement by members of the committee of management.

In our opinion, subject to the effect of the qualification below, the accompanying financial report presents fairly, in all material respects, (or gives a true and fair view of) the financial position of the Association as at 30 June, 2018, and of its financial performance and its cash flows for the year then ended in accordance with the financial reporting requirements of the applicable legislation.

### **Basis for opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Qualification**

As is common for organisations of this type, it is not practicable for the Association to maintain an effective system of internal control over fundraising activities, until their initial entry in the accounting records. Accordingly, our audit in relation to fundraising was limited to amounts recorded. The audit opinion expressed in this report has been formed on the above basis.

### **Emphasis of matter - basis of accounting**

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Association to meet the requirements of the applicable legislation. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

## ***Responsibilities of management and those charged with governance for the financial report***

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

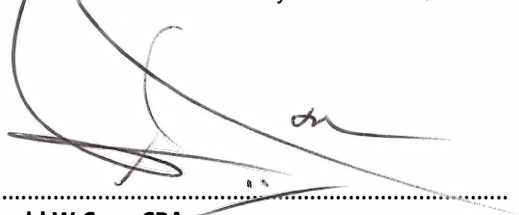

Those charged with governance are responsible for overseeing the Association's financial reporting process.

## ***Auditor's responsibilities for the audit of the financial report***

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>  
This description forms part of our auditor's report.

Dated at Essendon this 21st day of November, 2018.
