VOD - GRAND FINAL VISION – HOW TO ACCESS GUIDE

STEP 4:

You are then presented with options to stream online or download the file. Depending on your computer/browser settings, you will either be prompted to choose where to save the file or it will automatically download into your downloads folder

Note download size will be between 2.5-4GB – recommended not to download over your phone/tablet data to avoid excess usage charges

ONLINE STREAMING:

You can access your vision from anywhere anytime via the Vimeo website via your login
To stream via your smartphone, tablet or smart tv, download the Vimeo app via your app store and login under the account you registered during this process
(data charges will apply for online streaming – recommended to stream when connected to WIFI)

Enjoy the game
