Welcome to the 2017 Season

Welcome back to the new 2017 Season in Community Football!

There are some exciting new changes to the Footyweb program this upcoming season which hopefully our Community League & Club Administrators will like. Some of the new changes include the following and may be explained in further detail within this user guide or alternatively on our support webpage at <http://support.sportstg.com>-

- **New personalised confirmation email upon registration.**
- **New Female & All Abilities filter to potentially tick under the “Locator” dashboard for the national Club Finder.**
- **New “Team Type” field under “Details” dashboard.**
- **Permits for players will only now be allowed if the player has first registered to their primary community club in the current season.**
- **If a member selects their profile name after login, allow them to easily be able to register to any club under any member type except player.**
- **New member status on dashboard called “Pending Member” (in build)**
- **Online Payments Reconciliation Report emailed to clubs showing full breakdowns of payments for each bank deposit (in build)**
- **Ability to search by email in the advanced search area (in build)**
- **More customised one click reports (in build)**

How to access your Online Membership Database

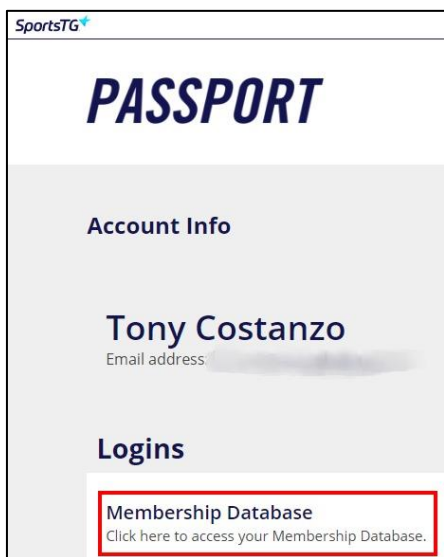

To access your League or Club database click on the link below:

<https://membership.sportstg.com>

To log in to the database you will need to have a Passport Account. You can either Sign-in to your Passport if you have an existing account or Register for a Passport Account.

If your Passport Account has been linked to your AFL Next Generation Academy database you will see the **Membership Database** link (shown below) which should allow you to then access your database.

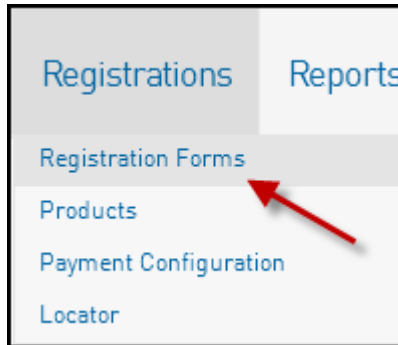

If you don't have the Membership link please contact your Association or State contact.

For any further information on Passport and getting access to your database, [click here](#)

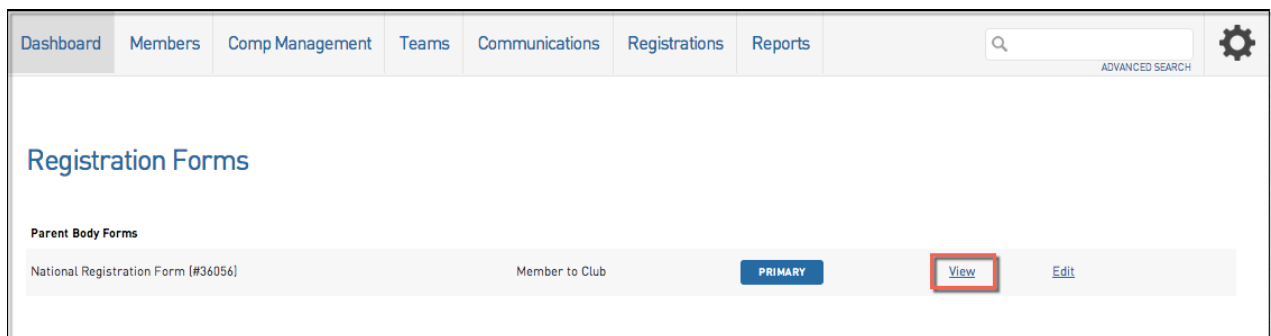

How to preview the Registration Form

As you are setting up the Registration Form, you should regularly preview the form to make sure it is set up and displaying as needed:

1. Hover over the **Registrations** menu and click **Registration Forms**.

2. Click on **View** for the form you wish to view.

3. You will see the registration form login screen (this is what your members will see – you will need to log in with an existing member's username and password).
4. Leave this screen open so that when you make changes in the admin section, you can refresh the screen to view your changes live.

Publishing the Registration Form to your website

The below refers to clubs/associations with a SPORTSTG website.

The SPORTSTG Payments Registration Form - section allows your association or club's registration form to be easily accessed through an icon and link that sits in the right-hand column of your SPORTSTG Website.

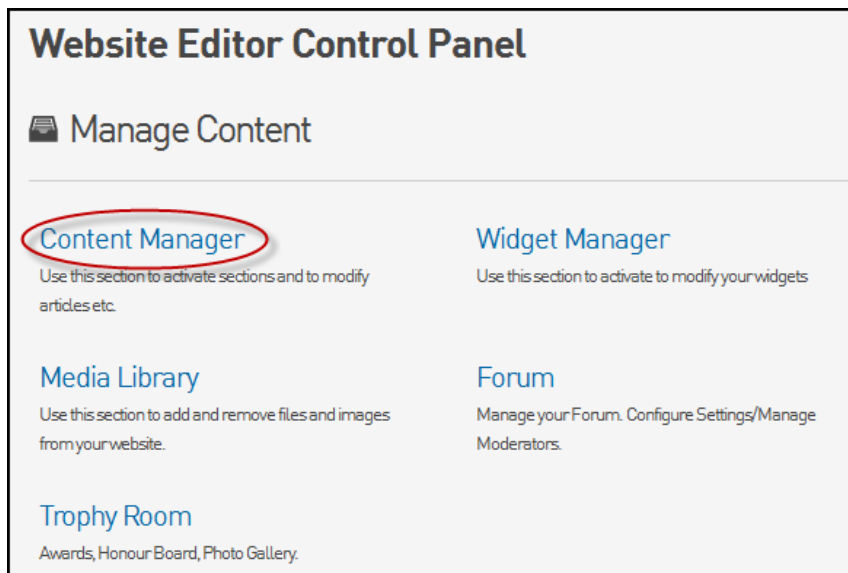

To publish your registration form on any website, you need the URL (web address) of your form. You can find it by clicking the "View" link in the Registration Forms configuration menu – the link will appear in the location bar. You can copy and paste this link on your website by following the directions below or you can also send this link to your members directly.

To link your form to your website:

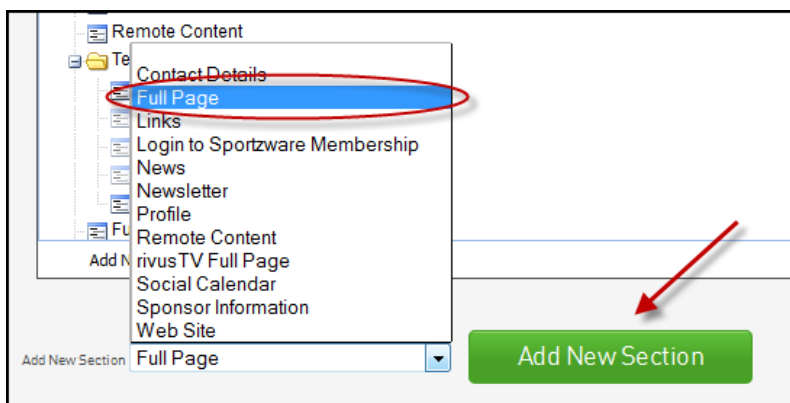

Option A (Adding the form as a link on a full page)

To add your Registration Form as a Full Page on your website, log in to your SPORTSTG Standard Website.

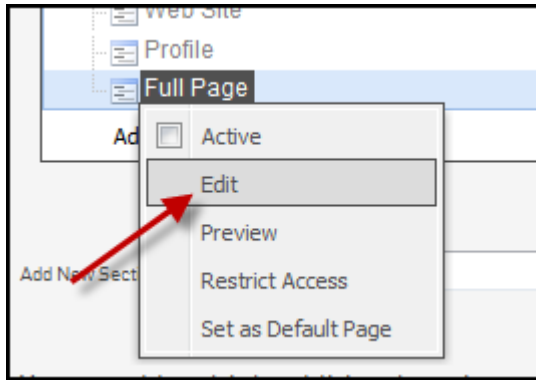

1. Click on the **Content Manager** in the Manage Content section

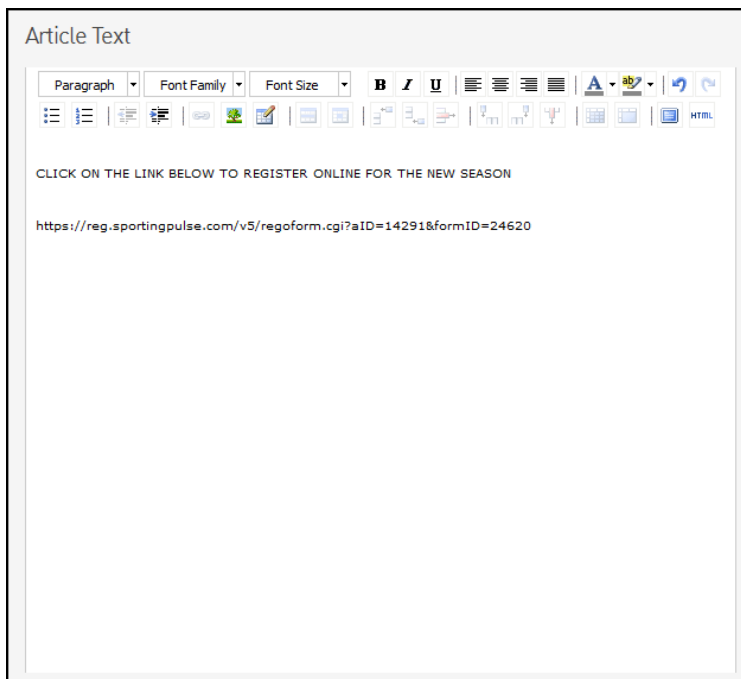

2. From the **Add New Section** drop down list, select **Full Page** and click the **Add New Section** button

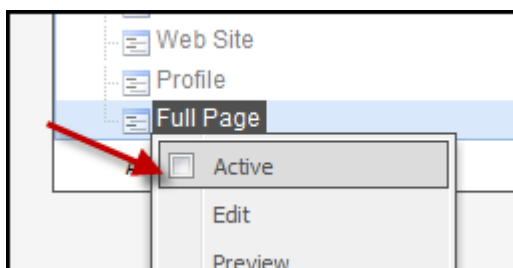

3. Right click on the section you've just created and click **Edit**

4. Enter in as much information as you like and include the link/URL for the Registration Form on the page.

5. Click the **Save** button when finished
6. Return to the **Content Manager**, right click on the section you've created and tick the **Active** box.

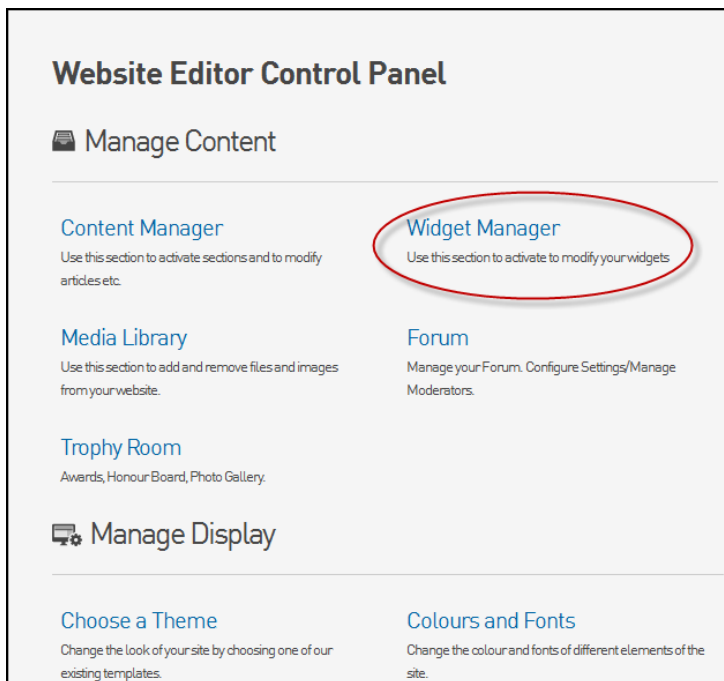

7. Your page will now display the link and any other information you've included on your website for your members to view and access the online registration form.

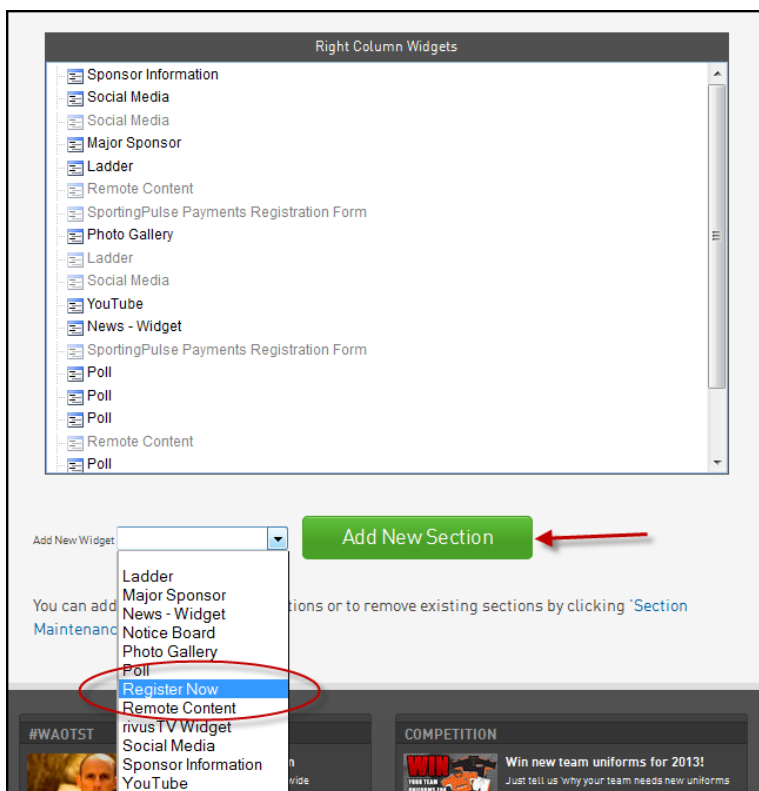

Option B (Adding the form as a widget)

To add your Registration Form to your website as a Widget, log into your SPORTSTG Standard Website.

1. From the **Website Editor Control Panel**, click on **Widget Manager**.

2. Click on the **Add New Widget** drop down list, select **Register Now** and click on **Add New Section**.

3. To Edit a current Widget, right click on the Widget name and click **'Edit'**.

Widget Manager

The Widget Manager allows you to place widgets into the right-hand column of your website (e.g. ladders, news, remote content, sponsor information etc.)

You can add new widgets by selecting them from the drop-down list below, then you can drag widgets up and down to reorder them in the list. Double Click to edit a widget, or right click for other options.

Click the 'Save/Update' button to save your changes.

8. Now that you have saved these changes you may need to activate the section. Return to the **Widget Manager** and Right-Click on the **Register Now** section. Ensure the **Active** box is ticked then click **Save/Update**

9. Return to your Homepage. You will see the **Register Now widget** appear in the Right-Hand column. If you have chosen not to Browse and Upload or Insert an Image File/Image from Gallery then the default icon will appear as per the screenshot below. When users click on this icon they will be taken to the relevant form.

How to add Custom Fields to your Registration Form

To add Custom fields, as a club, you will need to speak to your League and give them specifics of the field you require.

It may be that a similar field already exists in the database, and they can make it available to you (eg. "Medical Notes" instead of "Health conditions").

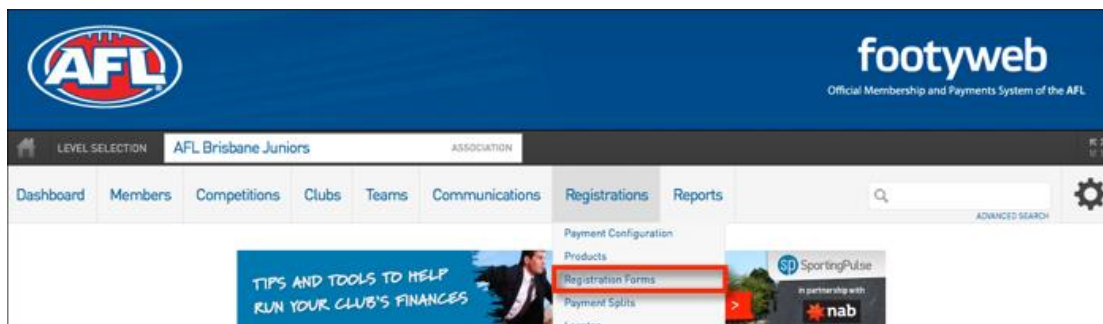

If not, the League will need to create/label the custom field information, and then make the custom field available.

If they have difficulty doing so, have them contact SPORTSTG support for assistance

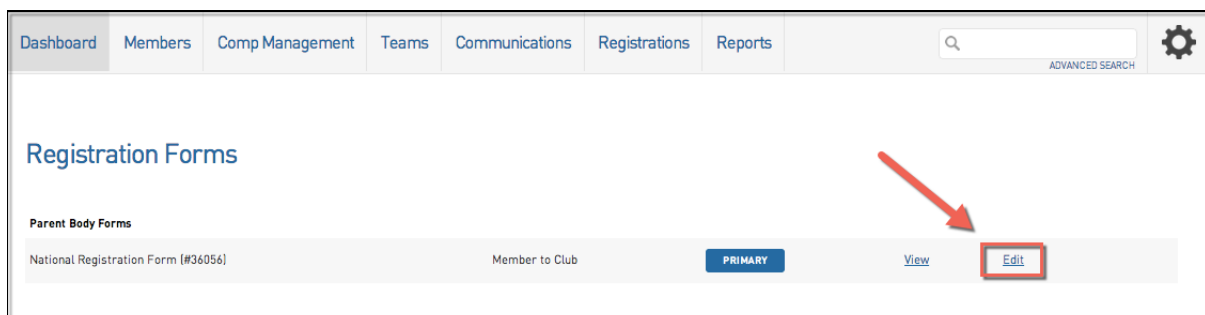

How to Add Your Own Terms & Conditions

The National registration form will come with the National Terms & Conditions. You can also take the option to add your own.

1. From the dashboard menu hover over **Registrations** and click **Registration Forms**

2. From the Registration Form menu click **Edit** on either the **National Registration Form**

3. Then click on the **Messages** tab

4. From the next menu click on the **Full Information** tab

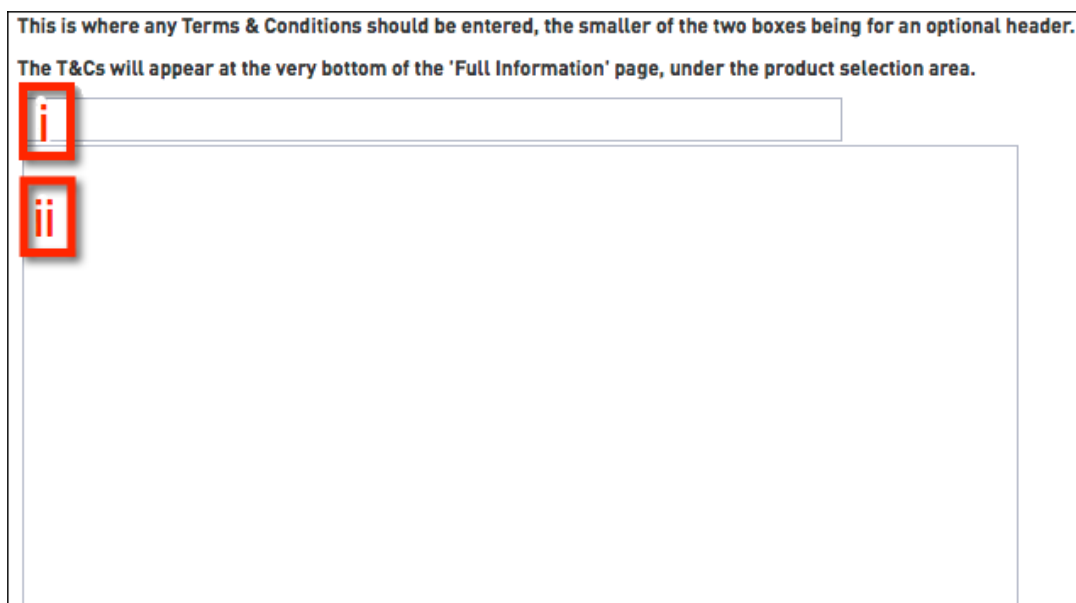

5. The next step is to scroll down to the Terms & Conditions section
 - i. The first step is to add a header (optional) in the small box at the top
 - ii. Secondly, add in your Terms & Conditions into the larger box

This is where any Terms & Conditions should be entered, the smaller of the two boxes being for an optional header.

The T&Cs will appear at the very bottom of the 'Full Information' page, under the product selection area.

The form is enclosed in a thin black border.

6. Once the fields have been completed click the **SAVE** button

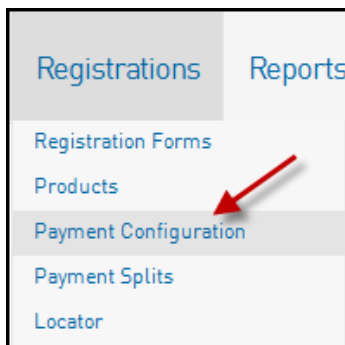

How to apply to apply for Sub-merchant Account

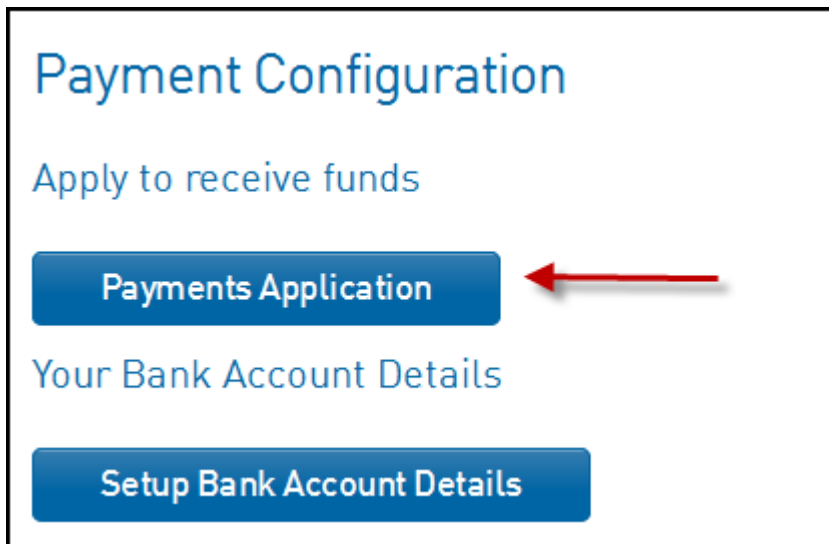

This step-by-step guide will help new users through the process of signing up to become a SPORTSTG Sub-merchant via the NAB Bank. It's specifically designed for SPORTSTG users, and includes some advice on how to fill in the different sections of the sign-up form, and while these are generally correct for sporting clubs and associations, they should be read in conjunction with your organisation's individual requirements.

When you sign up as a SPORTSTG Sub-merchant, you are able to receive payments from your Members which will then be transferred to your nominated Bank Account via the SPORTSTG Payments system:

1. Hover over the **Registrations** menu and click on **Payments Configuration**

2. On the next page, select the **Payments Application** button

3. Fill in the details as required. It is a one page document and the fields with an asterisk next to them are required fields. Once all fields have been filled out, click the **I Agree** button.

Payment Application

The person filling out this form (applicant) must be an approved applicant by the executive of the organisation. If the applicant is also one of the nominated office bearers, the information needs to be repeated as such.

As part of this application process, you will need to provide a scanned copy of your organisation's bank statement. Please make sure you have this file available before beginning this process.

Setting up your Bank Account to receive payments

This step-by-step guide will help new users through the process of receiving their funds, after being set-up as a SPORTSTG Sub-merchant. The user has two options as to how they want to set-up their account:

Setting up the Bank Account details

1. Hover over the **Registrations** menu, click on **Payment Configuration** and select **Setup Bank Account Details**.

2. You will then be prompted to fill in your bank account details. Ensure these are correct as they will be locked once the update button is selected. If you need to make changes, please contact SPORTSTG to have your account unlocked.
3. Click **Update**. The account setup is complete and monies will now be transferred into your selected bank account on a daily basis (excluding weekends).

A green 'Save' button is at the top left. The form fields are: 'Form Name: National Registration Form - 2014', 'Type of Form:', 'Form Enabled: Yes', and 'Payment is Compulsory: [This option should be set only if payments are enabled and you have merchant account set up]'. Below the checkbox, there are three green status messages: 'Payments are enabled.', 'A Merchant account has been set up.', and 'Bank Account has been verified.'

4. Once you have ticked the box click **SAVE** at either the top or bottom of the page

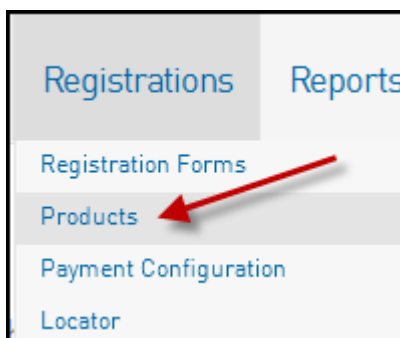

How to Create a New Product

Products are the items purchased by members in a member transaction. Common products include player registration/membership fees (E.g. adult membership, junior membership, and social membership), competition entry fees, and merchandise.

Typically this Pricing structure involves a flat individual fee, payable by each individual member when they register themselves to your club.

To get to the Products Menu:

1. Hover over the **Registrations** menu and click on **Products**

Make sure your product is clearly outlined as an Individual Member registration fee.

 A screenshot of the 'Details' tab in a product configuration form. The form includes the following fields and options:

- Name:** Player Registration Fee Summer 2013
- Product Reporting Season:** 2013 (Used in Reporting as a filter for Products purchased)
- Archive Product:**
- Grouping Category:** Summer 2013
- Allow Multiple time purchasing:**
- Allow Multiple Quantity Purchasing:**
- Notes:** A large text area with a placeholder '(Add any information here that...)' and a '...' icon at the bottom right.

 At the bottom left of the form is an 'Update' button.

Make sure that the pricing is for an individual Member Registration Fee.

The screenshot shows a software interface with several tabs: Details, Pricing, Mandatory, Actions, Filter, Availability, and Renewal. The 'Pricing' tab is active. Below the tabs, there is a 'Pricing' section with the following fields:

- Tax(GST) Description: [Empty text box]
- Minimum System Login to change price: --Select Level-- [Dropdown]
- Minimum System Login to Sell Product: --Select Level-- [Dropdown]
- Price: Single price (price is the same across all registrations, including family registrations). Multiple prices (changes in the case of multiple, family, registrations.)
- Single Pricing: \$ 50.00 [Text box]
- Multiple Pricing: [Table of pricing options]
- Payment Split: 100pc to CLUB [Dropdown] [Where the money is sent to upon successful online transaction]

At the bottom left, there is an 'Update' button.

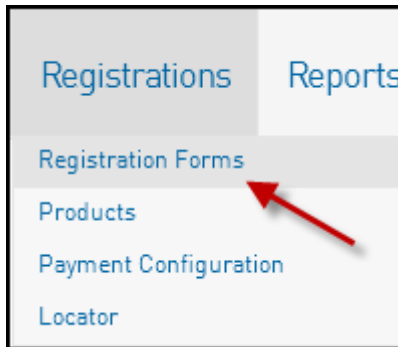

Fill in the relevant details (including pricing details) and click on **Update** to create the new product.

How to attach a Product to your Registration Form

To attach a Product to your Registration Form, follow the steps below.

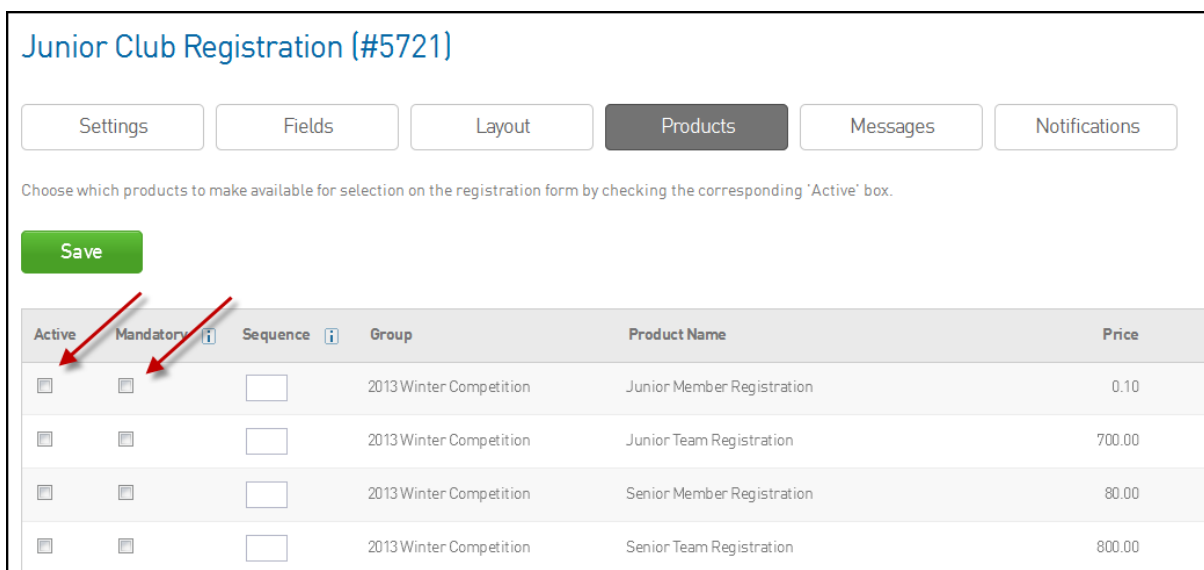

1. Hover over the Registrations menu and click on Registration Forms.

2. Click on Edit for the Registration Form you'd like to display products as shown below.

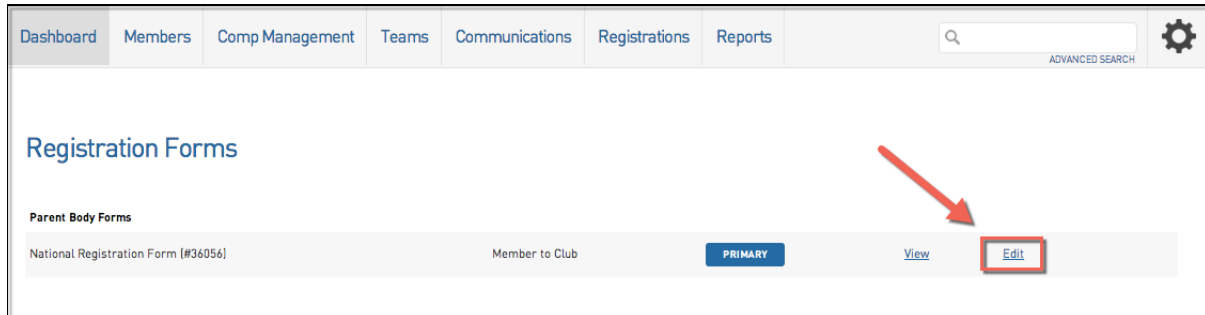

3. Click on the **Products** button across the top
4. For the Products you wish to have display on your Registration Form tick the **Active** box

To make a product(s) mandatory tick the '**Make mandatory on form**' box.

Customising your Registration Form

This screen (Registration Forms menu) will display any registration forms you've created and will allow you to edit/customise them.

The **Edit** menu will bring up the buttons and menus shown below.

Registration Form Options

Fields:

- The screen below lists what options or 'fields' you can choose to display on your registration form
- In the below example, 'Legal First Name' (among others) is Compulsory which means the form can't be completed without filling out those fields. Some fields will be locked by your league or State/National governing body.
- Editable fields will also display on the form, but they are optional to complete. Hidden fields will not display, read only fields are read only to the member.

Welcome to the Junior Club Registration Form, click on one of the options below to begin.

The **Contacts** menu can be accessed from the dashboard screen of your database (the screen that opens up when you first access your database)

Ticking the **Registrations** box as shown below will then mean that email address will receive notifications regarding registrations.

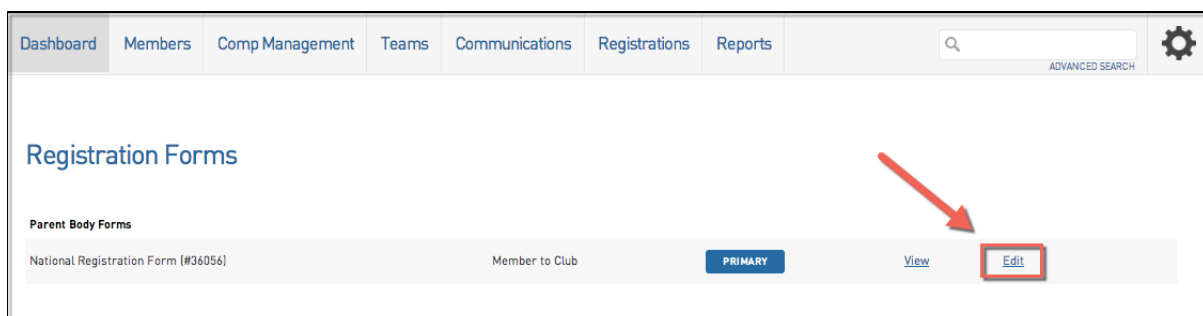

The image shows a table titled 'Functional Responsibilities' with columns for various roles: Primary Contact, Competition Admin, Social Activities, Website & Publicity, Clearance & Permits, Sponsors & Fundraising, Finance & Payments, Legal & Contracts, and Registrations. The 'Registrations' column is circled in red. The table has two rows: 'President' (Chris Sparsi) and 'Vice President' (Add new Name Here). The 'Registrations' checkbox is checked for the President role.

Multi-Registrations and Payments Functionality

This system allows a single user to register multiple people and also allows you to offer registration products at different prices depending on the number of people being registered at one time, in the one transaction. This system is of particular use if your club or league wishes to offer family discounts for subsequent children or adults on their memberships.

- To activate the multi-reg system for a registration form, go into the Registration Form section and click on **Edit** next to the form you wish to turn multi-reg on.

2. In the **Settings** menu you can tick whether you want people to be able to register *Multiple Adults* and/or *Multiple Children* using this form.

Allow multiple registration (family registration process): **IMPORTANT NOTE:** This will allow you to register and pay for multiple people at once. You need to check the boxes below to allow multiple adults or children (or both) to be entered using this process.

Using this process, some details from the initial person's registration will be copied to the subsequent forms, and a single payment will be made covering all the registrations.

Allow multiple adults to register?

3. To save these changes to the form click **Save**

To most effectively use this system, activate the multi-reg system for a form and then attach a multiple pricing product to it meaning that subsequent adults and/or children that are registered as part of the single transaction are offered a discount.

Below is what a user will see when they complete a form with multi-reg activated.

At the first screen of the registration form (shown below) they will be given the option to select how many members they wish to register (provided these options have been ticked in the **Settings** screen).

How many people are you registering?

Adults

Children

CONTINUE

They can then complete the form as per usual for the first person they are registering.

Once a product has been selected and the **confirm** button has been clicked the process will then take the user back to the beginning of the Registration Form where they will be able to register the second adult/child. It will display what stage of the registration process the user is up to (ie. *Registering Child 2 (of 2)* as shown over the page)

Registering Child 2 (of 2)

1 Choose Type 2 Initial Information 3 Full Information 4 Summary

The user will then be able to go through the registration form (fields like address, suburb, post code etc. will be pre-filled so they won't have to be filled out twice). Once they hit the **Confirm** button it will take the user through to the **Summary** screen which outlines details for their registration as well as payment details.

Pay Now

Clicking the **Pay Now** button will take the user through to the Credit Card payment gateway where they are able to pay for their registration. Should users not wish to pay online they can simply close the browser. This will still register the members, they will just have an unpaid transaction on their record.

It is also important to note that this will only work correctly if the user does the above in a single session. There is no option to save and then quit part way through the session and then return and complete it at a later stage.

Add a Manual Payment to a Member Record

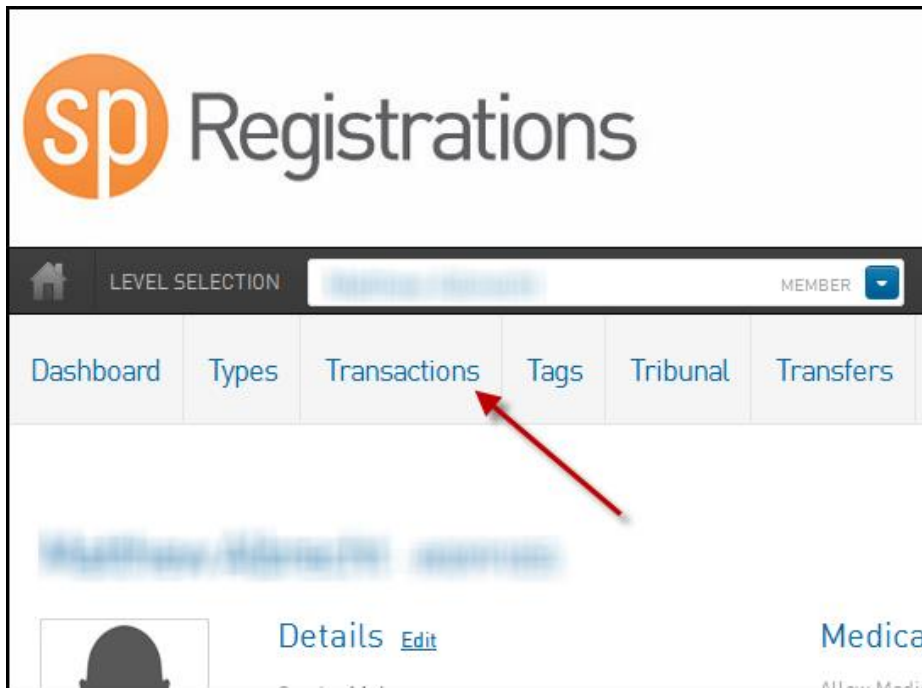

Should a member not wish to pay for their registration fee a manual payment record can be attached to the member's record.

To add a Manual Payment to a member record:

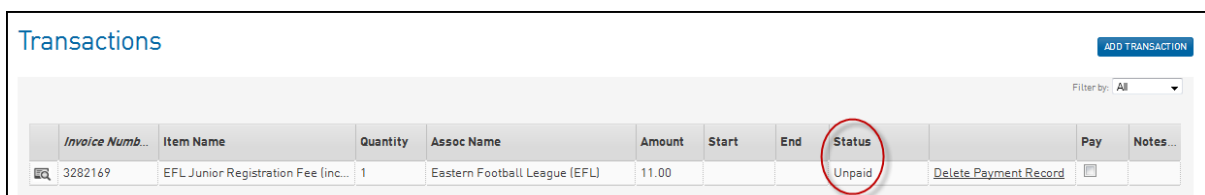

1. Hover over **Members** in the top menu and click on **Members**

2. Locate the player whose record you wish to update and click through into their record.
3. Click on the **Transactions** menu across the top

The Transactions page will then list all transactions for the selected player

How do members register using the new Email and Password login system

When using the new Email and Password system to register, there are three possible scenarios that may confront members when trying to register. Please read below for a step by step guide of each.

First step is to click on the Registration Form button to Community Club you wish to register.

After accessing the Community Clubs Registration Form, you will be prompted to type in your email address.

AJAX

To get started please enter your email address below.

Email address

© FOX SPORTS PULSE 2015. All Rights Reserved.

After you've completed the above there are three scenarios that may occur.

Scenario one - your email address and account are recognised and you're registering for the first time.

1. Your email address and account are recognised, you will be prompted to type in your password (or choose forgot password).

AJAX

Please enter your email address and password below.

Pending Registration: How to Approve or Deny

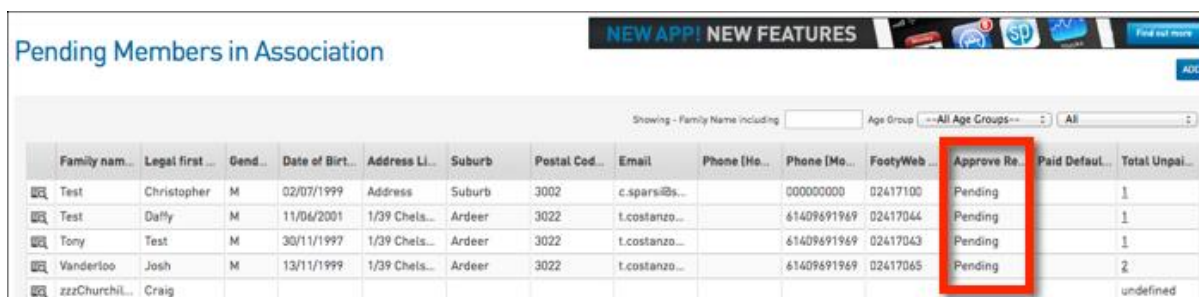

New players that have not previously been registered with another Club in the Footyweb system will be able to register online via the “I am registering to the Club for the first time” link but they will be put in with a **Pending Registration** status. Auskick players joining a Junior Club will be able to register online via the same means and they to will go into a **Pending Registration** status.

It is then the responsibility of the club to **Approve** or **Deny** the registration. To update the member statuses follow the directions below.

1. From the dashboard hover over **Members** and click **Pending Registration**

2. You will then be taken to the pending members screen where you will see a list of all pending members.

A screenshot of the 'Pending Members in Association' screen. At the top, it says 'NEW APP! NEW FEATURES' with icons for various services. Below is a search bar and filters for 'Family Name including', 'Age Group' (set to 'All Age Groups'), and 'All'. A table lists pending members with columns: Family nam..., Legal first..., Gend..., Date of Birt..., Address LI..., Suburb, Postal Cod..., Email, Phone (Ho..., Phone (Mo..., FootyWeb..., Approve Re..., Paid Defaul..., and Total Unpai... The 'Approve Re...' column contains 'Pending' for all listed members, with this column highlighted by a red box.

3. From the **Approve Registration** column click the the word **Pending**, this will open a drop down box which allows you to choose either **Reject** or **Approve**. If you approve the member they will be added into your club in the current registration season.

NOTE: Levels above the club will also have access to change the pending status of a member if required.

How to resend a Registration Email for a Transferred Player

If the player did not receive an email in the transfer process, the club has two options:

- They can correct a possibly incorrect email address for the player and resend the registration form link (Instructions are below) or:

- They will need to reset the player's password and send it to the player along with the link to the registration form (Scroll down for instructions).

The *first* option is to resend the registration form to the user.

The club may need to correct a wrong email address (if the player believes the wrong email address was entered).

To do this hover over *Members* and click **List Members**. Ensure the Club Status filter reads 'All'. Click on the magnifying glass next to the member.

Contacts & Locator

With the rise of the Internet as the most popular method for finding information, ensuring your club or association is highly visible on the Internet is crucial to promoting your club/association, attracting new members and providing a professional service to your existing members. SPORTSTG Membership makes this possible through the Contacts and Locator modules.

As sports administrators we urge you to do what you can to keep your club/ association information up to date. Below are a few tips on how to do so.

When you log into your association or club database the first screen you see is the 'dashboard'. From here you can access and update your association/club's basic details and information (item 1 in the graphic below), Board & Committee member contacts (2) and physical address so that you can be found in your sport's club/ association 'finder' (3).

The screenshot shows a dashboard with navigation tabs: Dashboard, Members, Competitions, Clubs, Teams, and Contacts. Below the tabs is a banner for 'SP GameDay'. The main content area is titled 'Test SW Online' and features a 'SportingPulse' logo with an 'Edit Logo' link. To the right, there is a 'Details' section with an 'Edit' link, listing address, phone, fax, and email information. On the left, there are three menu items: 'Details' (1), 'Contacts' (2), and 'Locator' (3), each with a checkmark and a circled number.

Details

The 'details' menu allows you to update the basic information on your club/ association including address, phone numbers and email addresses.

Contacts

This module allows clubs and associations to manage the contact details and responsibilities of their administrators. Entering data and contact details into this area will assist administrators by sending them important communications in relation to the area they are responsible for.

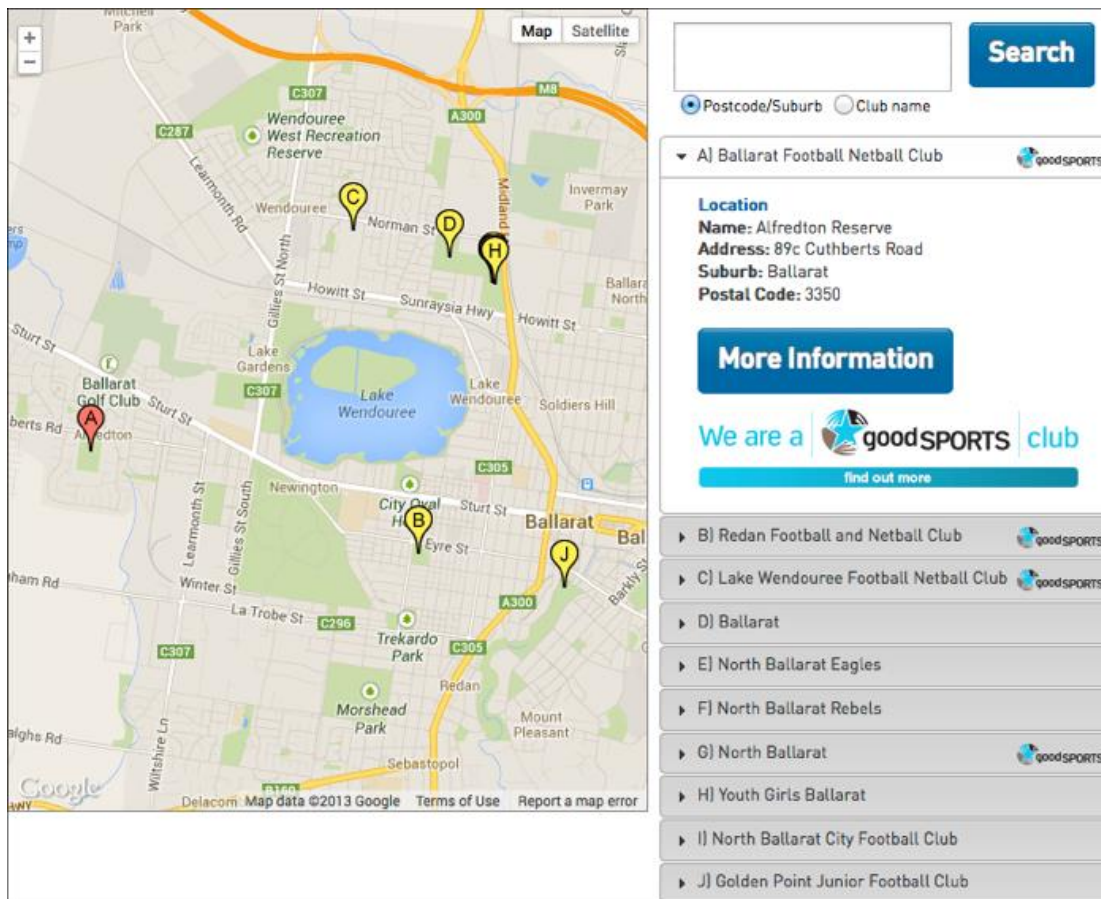

To do this click on the **tick box** within the **Functional Responsibilities** area that correlates with the board members responsibility.

Locator

The 'locator' is a valuable tool for ensuring that your club/association can be found by potential members/players through the SPORTSTG 'locator' which will be displayed on www.playafl.com.au. Entering your playing venue location details into the locator section in Membership will ensure that when someone uses the locator to search for a club, yours will appear in the results along with the club's contact information. Below is another example of a sport's 'Locator' on the SPORTSTG website and the results that are returned when a postcode or suburb is entered.

The screenshot displays a search interface for football clubs. On the left is a map of Ballarat, Australia, with several clubs marked by colored pins labeled A through J. On the right is a search results panel. At the top, there is a search bar with a 'Search' button and radio buttons for 'Postcode/Suburb' (selected) and 'Club name'. Below the search bar, a dropdown menu shows 'A) Ballarat Football Netball Club' with a 'goodSPORTS' logo. This club is expanded to show its location details: Name: Alfredton Reserve, Address: 89c Cuthberts Road, Suburb: Ballarat, and Postal Code: 3350. A 'More Information' button is present. Below this, a list of other clubs is shown, including B) Redan Football and Netball Club, C) Lake Wendouree Football Netball Club, D) Ballarat, E) North Ballarat Eagles, F) North Ballarat Rebels, G) North Ballarat (with 'goodSPORTS' logo), H) Youth Girls Ballarat, I) North Ballarat City Football Club, and J) Golden Point Junior Football Club.

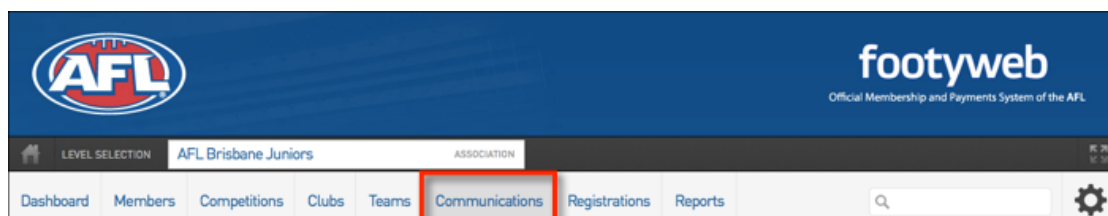

How do I Send Communications to My Members

The process for sending a message consists of the following steps:

1. Specify recipients
2. Select a mode of communication
3. Compose message

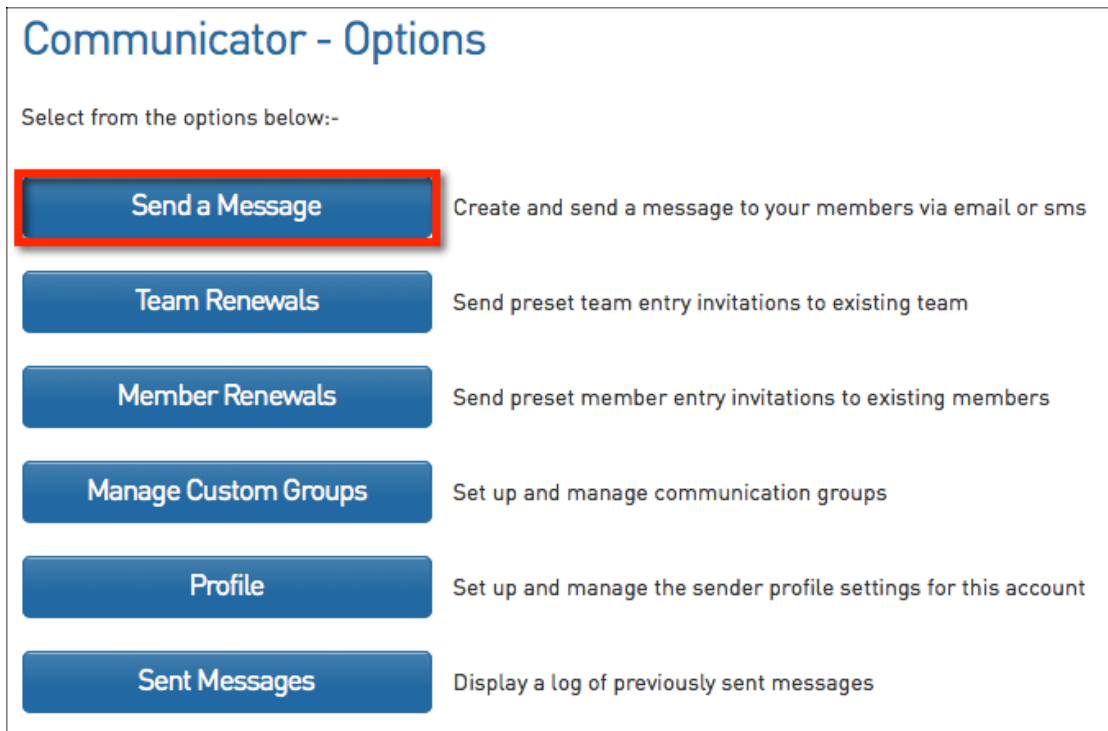

Specify Recipients

1. From the association, club or team level of Membership, click on **Communications** in the menu.

The screenshot shows the top navigation bar of the Footyweb website. The AFL logo is on the left, and the 'footyweb' logo with the tagline 'Official Membership and Payments System of the AFL' is on the right. Below the logo is a navigation menu with the following items: 'LEVEL SELECTION', 'AFL Brisbane Juniors', 'ASSOCIATION', 'Dashboard', 'Members', 'Competitions', 'Clubs', 'Teams', 'Communications' (highlighted with a red box), 'Registrations', and 'Reports'. There is also a search bar and a settings gear icon on the far right.

2. The Communicator options will open. Click on **Send a Message**.

Tip: If you obtain permission from members to send them communications, you can use the 'mailing list' field to manage those that do/ do not want to receive communications. If you use the Mailing List field, be sure to include it in your custom report (eg. Mailing List = 'Yes').

Once you have selected your recipient option and specified the settings for that option, click on **Continue**.

Select a Communication Method

- The 'Confirm Recipients' screen will appear, which contains:
 - A message at the top of screen confirming the recipient option that you have chosen
 - The communication methods available - choose whether to send the message via **SMS**, **Email** or **Combo**. The 'Combo' option will send an SMS to all recipients with a mobile number and an email to recipients that have an email address but no mobile number.
 - A 'Contact Summary' of the recipients, which shows the total number of recipients and a breakdown by mode of communication available - the number of recipients that can be contacted by email, mobile phone, email and mobile phone, or email only (no mobile phone). These figures help identify the number of emails/ SMS messages that will be sent out

Communicator - Confirm Recipients

You have chosen to send a message to Predefined List "Players".

The number of email addresses in the selected list exceeds the allowable limit (2000).

You are only able to send an SMS message.

Choose the type of message(s) you would like to send.

SMS	To send an SMS you require sufficient credits. You have 0 SMS credits available. You are not logged in to send an SMS
Email	Send a longer less urgent message
Combo	This option will SMS contacts with a mobile number and automatically email those contacts with an email address but no mobile number listed.

- Click on the communication method that you wish to use - **SMS**, **Email** or **Combo**.

The Reporting System

The Reporting system is a powerful tool that will allow you to customise all sorts of reports based on the information that you require.

To access the Reports system:

1. Click on the **Reports** menu across the top

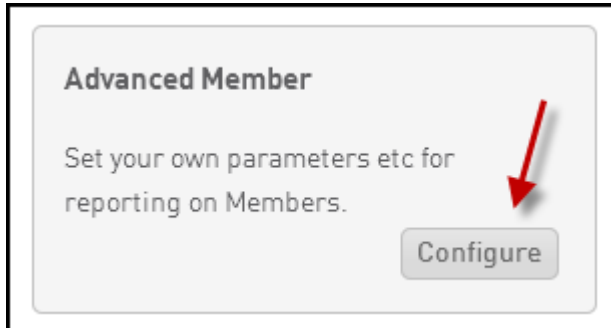

You'll then see the screen below where you can select a category for the report you wish to run (members is generally the most common run report).

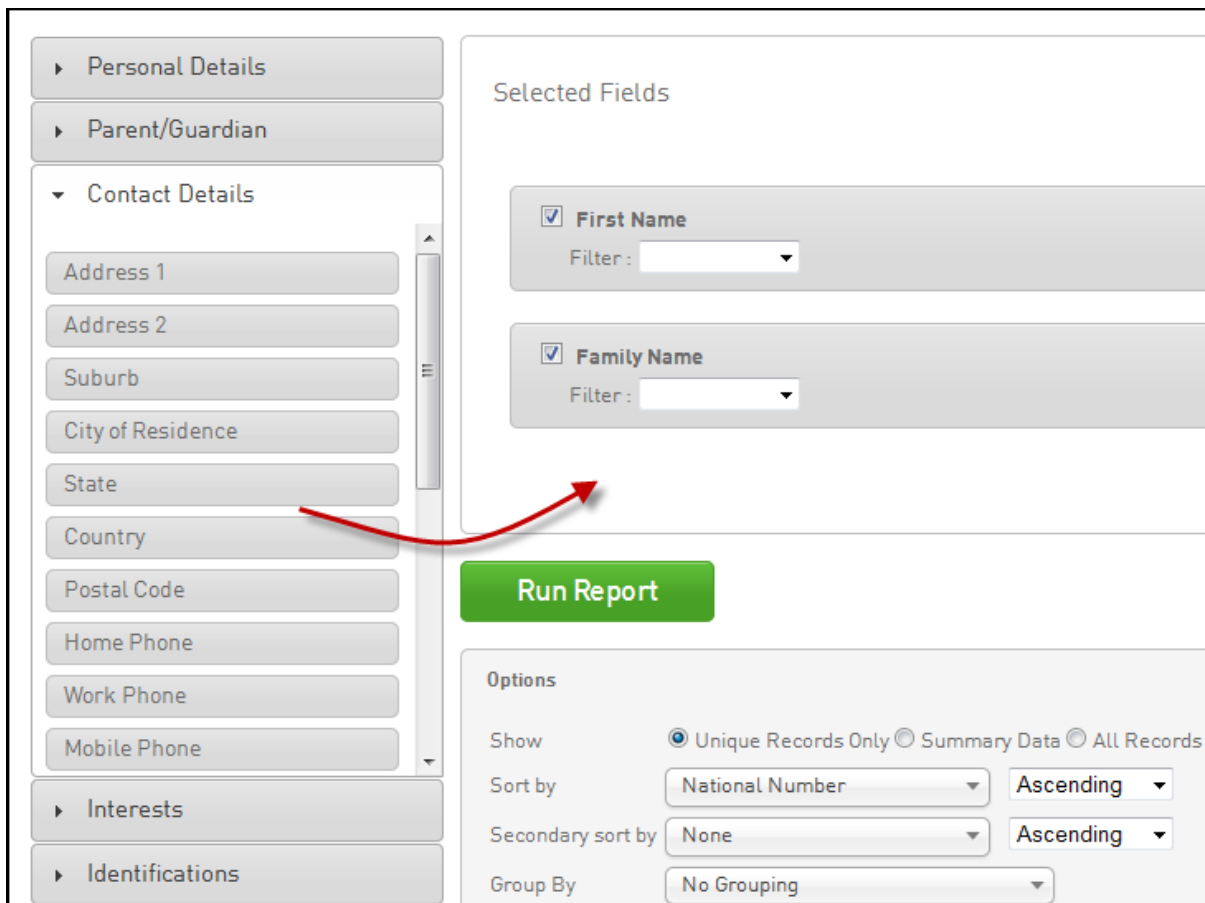

To run a basic Advanced Member report:

1. Click on **Members** (from the above screen shot)
2. Click on the **Configure** button for the **Advanced Member Report**

3. Click and drag across the fields that you would like to report on

4. Click on **Run Report** to generate the report

You will be able to apply a filter to your reports so you can report on specific information. For example, the screen shot below will only report on members that are assigned to the 2013 season.

The screenshot displays a filter configuration interface with three sections:

- First Name**: A checked checkbox and a dropdown menu labeled "Filter:".
- Family Name**: A checked checkbox and a dropdown menu labeled "Filter:".
- Season**: A checked checkbox, a dropdown menu labeled "Filter:" set to "Equals", and a tag labeled "2013" with a close button (x).

A red oval highlights the "Season" filter dropdown and the "2013" tag.
