Introduction

Welcome to Season 2022 as an EDFL Umpire and congratulations on taking up the challenge! To our group of new umpires, we hope you enjoy the experience, whether you are in the goals, on the boundary or in the field. We also welcome all those umpires who are returning for another season. We hope you have had a good rest and are ready for the next step in your umpiring experience.

An umpire must always act in a manner which places the umpire above reproach. You are expected to act with integrity, trust and respect, as you are representing the EDFL, the umpiring group and yourself

Umpiring will help build your confidence, teach you to make important decisions under pressure and improve your interpersonal and communication skills. As part of your role and responsibilities you should read this manual and become very familiar with its contents and you should also have it in your bag on match day as a quick reference guide. We want you to enjoy your involvement in the game and show respect for officials, players and your colleagues. Our coaching panel is there to assist and develop each umpire to make their experience as enjoyable as possible. You are an equal part of a team during game day and you are a key member of our 500 strong EDFL Umpiring Team

Good luck with your umpiring in the 2022 season!

Water persons must only enter the field after a goal has been scored.

There should not be water persons for the under 12 competition or below. For all other competitions, there should be no more than 2 water persons per match per team.

- Umpires Escort **Blue Bib**

The Umpires Escort will escort the umpires to and from the field and will stand with them at quarter and three-quarter time. Time on

“TIME ON” **SHALL** only be applied when:

- a stretcher has entered the playing field
- a player count has been called

Player's Uniforms and Equipment (All Games)

Jumpers and Shorts

Players will wear -

- Black shorts or Team coloured shorts for home games
- White shorts for away games
- Team coloured socks for all matches

All Club garments shall be as prescribed by the EDFL including relevant sponsors

Gloves

In all junior competitions, a player must obtain advice and approval from a medical practitioner before wearing gloves. A list of permissible gloves can be obtained from the EDFL website. The player proposing to wear the gloves must bring it into the EDFL Offices along with the Medical Authorisation/Certificate which must outline the players name, club, league, nature of the condition and the period the medical advisor believes the player is required to wear the gloves. This then must be viewed and approved by the Football Operations Manager. This approval must be available on game day to be viewed by the umpire (if requested) to allow the player to participate in the match.

Undergarments (such as Skins)

Player's undergarments (lycra shorts) must be skin coloured (neutral or club-coloured) or the same colour as their team's shorts. Junior players are permitted to wear club coloured long sleeve jumpers

Full length undergarments are permitted in certain circumstances

Mouth Guards

Mouth Guards are recommended and preferred to be worn for all players at any level of football > The EDFL mandates the use of mouth guards in all Youth Girls matches

Process for non-compliance in Youth Girls –

- Umpire stops play and issues Yellow Card to player and that player leaves the field
- Play recommences when the replacement player takes the field
- Free kick to opposition team

Protective Equipment

A player must have written approval from the EDFL to wear any protective equipment in a match. Before game day the player must first bring it into the EDFL Offices at Windy Hill and have it approved by the Football Operations Department. This approval must be available for viewing by the umpire on match to allow the player to participate in the match. The exception is a player's helmet which can be worn in all grades.

Hair

If a player (male or female) has their hair braided, and it swings free from their head when the head is moving, it may cause harm to another player if struck by the braid. Due to potential injury that may be caused, players are not permitted on the field with free braids in their hair. This includes plaited ponytails. Players with plaited ponytails will be instructed by the Umpire to either roll the plait into a bun or remove the plait and play with a loose ponytail (as long as the ponytail does not hide the player's number).

Players' nails must be short and smooth and not a hazard in any way.

Club Minimum Numbers

Rule 6.1 of the EDFL By-Laws states "An Affiliated Club not fielding at least 14 players (12 in Girls/Women) 20 minutes after the scheduled starting time of the match shall forfeit the match. If, during the course of a match a team is reduced to less than 14 players (12 for Girls/Women) the match shall be forfeited and the Team sheets shall immediately be signed and endorsed on the ground in the presence of the field umpire, then forwarded in the usual manner to the CEO. An Affiliated Club forfeiting the match shall pay all umpire fees in full".

In the event of an Affiliated Club commencing a game without eighteen Players, any additional players entitled to play may take the field, after the captain of the relevant Affiliated Club has notified the field umpire of such intention. A player who has not signed the Team Sheet shall not be permitted to participate in a match after the Team Sheet has been lodged with the field umpire.

'Spirit of Fair Play' (** No longer a rule**)

2022 Rule Changes

- Abuse

In line with the AFL crackdown on umpire abuse the EDFL will also be instructing umpires to have a zero tolerance for umpire abuse. This includes any of the following:

- uses abusive, insulting, threatening or obscene language towards an Umpire;
- behaves in an abusive, insulting, threatening or obscene manner towards an Umpire;
- disputes a decision of an Umpire in an abusive, insulting, threatening or obscene manner.

Umpires will be instructed to pay a free kick, 50m penalty, use a send-off card or report players or officials who breach these, depending on the severity of the offence. A blue card will be shown to players who repeatedly dispute the decision of an umpire.

****Players are still encouraged to have discussions with umpires in a respectful manner****

- Last Disposal (Between the Arcs)

In season 2022, the EDFL will be implementing the Last Disposal rule in all junior, womens and thirds competitions.

A free kick will be paid against a player who disposes (kicks or handballs) of the ball over the boundary line between the 50m arcs, without it being touched by another player. If the ball goes out of bounds within the 50m arcs the ball will be thrown in (if there are boundary umpires) or brought in 15m and balled up.

Juniors

In junior competitions, clubs will no longer need to provide volunteer boundary umpires. If the ball comes off hands, or the umpire is unsure as to who disposed of the ball last, then the umpire will bring the ball in 15m and ball the ball up.

Womens and Thirds

In womens and thirds competitions, if the ball comes off hands, or the umpire is unsure as to who disposed of the ball last, then the following will happen:

- if there is an EDFL boundary umpire allocated, then they will throw the ball in from where the ball went out;
- if no EDFL boundary umpire is allocated, then the field umpire will bring the ball in 15m from where the ball went out and ball the ball up.

Process

In games in which there is a boundary umpire, the boundary umpire will signal that the ball has gone out of bounds and then indicate to the field umpire which team is receiving the free kick by signalling in the same way as a field umpire would. The field umpire will pay the free kick by signalling the same way as if it was out on the full.

- Melee Rule

In season 2022, the melee rule will be introduced into all U14 and U16 competitions.

- AFL Interpretation Changes

The EDFL will be adopting all of the interpretation changes that have been introduced to the AFL in season 2022. These are not big changes and will be discussed at coaching with your coach.
